**BILLING CODE 4710-09-P****DEPARTMENT OF STATE****[Public Notice 4655]****Bureau of Educational and Cultural Affairs Request for Grant Proposals: Educational Partnerships Program With Bosnia-Herzegovina and Montenegro**

**SUMMARY:** The Office of Global Educational Programs of the Bureau of Educational and Cultural Affairs announces an open competition for the Educational Partnerships Program with Bosnia-Herzegovina and Montenegro. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to support the program goals of encouraging mutual understanding, educational reform, and civil society through cooperation in higher education in the eligible countries.

**Program Overview**

To encourage mutual understanding, educational reform and civil society in Bosnia-Herzegovina and Montenegro, the Educational Partnerships Program will support the cooperation of U.S. colleges and universities and non-profit organizations with designated universities in these locations to pursue objectives through exchange visits of faculty, administrators, professional experts, advanced foreign students and advanced U.S. graduate students. Applicants are strongly encouraged to discuss project ideas during the proposal development process with the relevant Bureau Program Officer for guidance. (Please see **FOR FURTHER INFORMATION** section for contact details.) Funding for this competition is being provided from a FY-2003 Support for Eastern European Democracy (SEED) Act transfer as carried over into FY 2004 for obligation.

**Country Eligibility**

Applicant organizations may submit a proposal to administer one, two, or all three of the projects listed below:

*Bosnia-Herzegovina*

(1) Comparative religious studies at the University of Sarajevo. This project will enable the University to establish a

program of teaching about various religions, promoting inter-faith dialogue. Amount available: \$200,000.

(2) American Studies in the English Department of the University of Sarajevo. This project should help increase understanding of the U.S. society, its values, and culture through the development of a program in American Studies at the University of Sarajevo. Amount available: \$200,000.

*Montenegro*

(1) University Administration. This project will enable the University of Montenegro to explore and adapt new approaches to organizing its programs of instruction and their administration. Amount available: \$150,000.

**Project Design**

The project should be designed to focus on specific institutional objectives that will support the Program's goals of encouraging mutual understanding, educational reform, and civil society. The design should include a series of exchange visits that will lead to the achievement of the project's objectives within a three-year period and should describe a process for evaluating the results of project implementation. The design should also provide for the effective administration of the project.

*A. Statement of Need*

Proposals should demonstrate an understanding of the need of the foreign university partners for the project. Proposals should explain how each participating department and institution will utilize the project to address the partner institutions' needs as well as larger needs in its country and society. If the proposed partnership would occur within the context of a previous or ongoing project, the proposal should outline distinct objectives and outcomes for the new project and should explain how Bureau funding would build upon the previously funded activities. Proposals should describe the amounts and sources of support for the earlier projects as well as the results to date.

*B. Project Objectives*

Proposals should explain in detail how the project will enable the participating institutions to achieve specific institutional or departmental changes that will support the goals of the Educational Partnerships Program. Proposals should outline a series of activities for meeting specific objectives for each participating institution and society. The benefits of the project to each of the participating institutions may differ significantly in nature and scope based on their respective needs
