Committee for the Implementation of Textile Agreements

November 14, 2000.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: Pursuant to Section 204 of the Agricultural Act of 1956, as amended (7 U.S.C. 1854); Executive Order 11651 of March 3, 1972, as amended; and the Bilateral Textile Agreement of June 23, 2000 between the Governments of the United States and the Lao People's Democratic Republic, you are directed to prohibit, effective on January 1, 2001, entry into the United States for consumption and withdrawal from warehouse for consumption of cotton and man-made fiber textile products in Categories 340/640, produced or manufactured in Laos and exported during the twelve-month period beginning on January 1, 2001 and extending through December 31, 2001, in excess of 184,683 dozen.

The limit set forth above is subject to adjustment pursuant to the current bilateral agreement between the Governments of the United States and the Lao People's Democratic Republic.

Products in the above categories exported during 2000 shall be charged to the applicable category limit for that year (see directive dated December 10, 1999) to the extent of any unfilled balance. In the event the limit established for that period has been exhausted by previous entries, such products shall be charged to the limit set forth in this directive.

This limit may be revised if Laos becomes a member of the World Trade Organization (WTO) and the United States applies the WTO agreement to Laos.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Richard B. Steinkamp,
Chairman, Committee for the Implementation of Textile Agreements.
