SUPPLEMENTARY INFORMATION: On December 10, 2002, we published a notice requesting nominations for a negotiated rulemaking committee that will develop regulations to implement the No Child Left Behind Act. (The notice appeared at 67 FR 75828 and is available on our Web site at <http://www.OIEP.bia.edu> under "Negotiated Rulemaking.") In this notice we invited representatives of tribal schools (both contract and grant) and tribally operated schools to nominate representatives and alternates to serve on the committee. In order to have an adequate pool of nominations, we are extending the deadline for tribes and tribal organizations to submit nominations.

Because committee membership should reflect the diversity of tribal interests, tribal schools and tribally operated schools should nominate representatives who will:

1. Represent the interests of students, parents, teachers, school board members, and school administrators they are nominated to represent;
2. Reflect the spectrum of grant/tribally-controlled schools, off-reservation boarding schools, various size schools, and alternative schools in the geographic regions;
3. Communicate with the constituencies they represent; and
4. Participate fully in the committee's activities.

We will consider nominations for tribal committee representatives only if they are nominated through the process identified in this notice and in the notice that we published on December 10, 2002. We will not consider any nominations that we receive in any other manner. We will also not consider nominations for Federal representatives. Only the Secretary may nominate Federal employees to the committee.

Nominations must include the following information about each nominee for tribal committee member:

- (1) The nominee's name, business address, telephone and fax number (and e-mail address, if applicable);
- (2) The tribal interest(s) to be represented by the nominee (teacher, parent, school administrators, or school board member) and whether the nominee will represent the interest of grant/tribally-controlled school, off-reservation boarding school, small or large school or alternative school in a specific geographic region or other interest related to this rulemaking, as the tribe may designate; and
- (3) The nominee's qualifications and experience in Indian education (including being a parent of a student attending a Bureau-funded school) to
