

Accessible Format: On request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**, NIST will make the RFI available in alternate formats, such as Braille or large print, upon request by persons with disabilities.

SUPPLEMENTARY INFORMATION: As stated in Executive Order 14019, Promoting Access to Voting,¹ the right to vote is the foundation of American democracy. Under section 7 of Executive Order 14019, (Ensuring Equal Access for Voters with Disabilities), NIST is directed to evaluate the steps needed to ensure that the online Federal Voter Registration Form is accessible to people with disabilities.

This RFI outlines the information NIST is seeking from the public to inform the development of recommendations regarding both the Federal Voter Registration Form and other barriers it has identified that prevent people with disabilities from exercising their fundamental rights and the ability to vote privately and independently.

Request for Information

The following statements are not intended to limit the topics that may be addressed. Responses may include any topic believed to have implications for the development of recommendations to promoting access to voting for people with disabilities, regardless of whether the topic is included in this document. All relevant responses that comply with the requirements listed in the **DATES** and **ADDRESSES** sections of this RFI and set forth below will be considered.

Comments containing references, studies, research, and other empirical data that are not widely published should include copies of the referenced materials. All submissions, including attachments and other supporting materials, will become part of the public record and subject to public disclosure. Personally identifiable information (PII), such as street addresses, phone numbers, account numbers or Social Security numbers, or names of other individuals, should not be included. NIST asks commenters to avoid including PII as NIST has no plans to redact PII from comments. Do not submit confidential business

information, or otherwise sensitive or protected information. Comments that contain profanity, vulgarity, threats, or other inappropriate language or content will not be considered. NIST requests that commenters, to the best of their ability, only submit attachments that are accessible to people who rely upon assistive technology. A good resource for document accessibility can be found at: section508.gov/create/documents.

Fishing Capacity Reduction Program for the Southeast Alaska Purse Seine Salmon Fishery

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration, Commerce.

ACTION: Notice that the 2021 season fee rates will not change.

SUMMARY: NMFS performs an annual evaluation of the Southeast Alaska Purse Seine Salmon Fishing Capacity Reduction (Buyback) Loans. Our analysis reveals Loan A (or BBSA–001A) is currently ahead of schedule and Loan B (or BBSA–001B) is 2 years, or approximately \$410,000, behind its scheduled amortization. Due to the impact of the Covid–19 pandemic, NMFS has determined it is in the best interest of the fishery to keep the annual Buyback fee rates for both Loan A and Loan B at 1 percent for 2021. Maintaining the current fee rates will minimally impact Loan A and Loan B will receive approximately \$30,000 more than the scheduled annual amortized amount. The 2021 fishing season runs from June 1, 2021 through December 31, 2021.

¹ Exec. Order No. 14019, Promoting Access to Voting, 86 FR 13623 (Mar. 7, 2021).

DATES: The Buyback Loan A and Loan B program fee rates will remain at 1 percent beginning with landings on June 1, 2021. The first due date for fee payments at these rates will be July 15, 2021.

ADDRESSES: Send questions about this notice to Elaine Saiz, Chief, Financial Services Division, National Marine Fisheries Service, 1315 East-West Highway—13th Floor, Silver Spring, MD 20910–3282.

FOR FURTHER INFORMATION CONTACT: Elaine Saiz, (301) 427–8752.

SUPPLEMENTARY INFORMATION:

I. Purpose

The purpose of this notice is to announce the continuance of the current fee rates for the reduction fishery in accordance with the framework rule's 50 CFR 600.1013(b). Section 600.1013(b) directs NMFS to recalculate the fee to a rate that will be reasonably necessary to ensure reduction loan repayment within the specified 40-year term.

For the 2020 fishing season, the fee rate for both Loan A and Loan B was 1 percent of the landed value and any subsequent bonus payment. For the 2021 fishing season, the fee rate will remain unchanged at 1 percent for both Loan A and Loan B. A letter was previously sent by mail informing all Buyback permit holders and buyers that the rates would remain at 1 percent for each loan in the 2021 season. Fish buyers may continue to use *Pay.gov* to disburse collected fee deposits at: <http://www.pay.gov/paygov/>. Please visit the NOAA Fisheries website for additional information at: <https://www.fisheries.noaa.gov/alaska/funding-and-financial-services/southeast-alaska-purse-seine-salmon-fishery-buyback-program>.

II. Notice

The fee rates for the Buyback Loans A and B are effective June 1, 2021.

Fish sellers and fish buyers must pay and collect the fee in the manner set out in 50 CFR 600.1107 and the framework rule. Consequently, all harvesters and fish buyers should read subpart L to § 600.1013 to understand how fish harvesters must pay and fish buyers must collect the fee.
