FEDERAL COMMUNICATIONS COMMISSION

[CC Docket No. 96–45; DA 02–1005]

Wireline Competition Bureau Seeks Comment on Guam Cellular and Paging, Inc. d/b/a Saipancell Petition for Designation as an Eligible Telecommunications Carrier on the Island of Saipan in the Commonwealth of the Northern Mariana Islands

AGENCY: Federal Communications
Commission.

ACTION: Notice; solicitation of
comments.

SUMMARY: This document seeks
comments on the Guam Cellular and

Paging, Inc. d/b/a Saipancell
(Saipancell) petition seeking
designation of eligibility to receive
federal universal service support for
service offered on the island of Saipan
in the Commonwealth of the Northern
Mariana Islands.

DATES: Comments are due on June 17,
2002. Reply comments are due on July
1, 2002.

ADDRESSES: See Supplementary
Information section for where and how
to file comments.

FOR FURTHER INFORMATION CONTACT:

Mark G. Seifert, Deputy Chief,
Telecommunications Access Policy
Division, Wireline Competition Bureau,
(202) 418–7400, TTY: (202) 418–0484.

SUPPLEMENTARY INFORMATION: On
February 19, 2002, Guam Cellular and
Paging, Inc. d/b/a Saipancell
(Saipancell) filed with the Commission
a petition under section 214(e)(6)
seeking designation as an eligible
telecommunications carrier (ETC) to
receive federal universal service support
for service offered on the island of
Saipan in the Northern Mariana Islands.
The Commission issued a Public Notice,
67 FR 13332 (March 22, 2002), on
March 4, 2002 seeking comment on the
Saipancell Petition. Saipancell
subsequently filed an amendment to its
petition and at Saipancell's direction,
the Commission is tolling the filing of
the Saipancell Petition to April 15,
2002.

Saipancell contends that the CTC,
which has jurisdiction over
telecommunications in the Northern
Mariana Islands, has provided an
affirmative statement that it does not
regulate commercial mobile radio
service (CMRS) carriers, Saipancell
meets all the statutory and regulatory
prerequisites for ETC designation, and
designating Saipancell as an ETC will
serve the public interest.

Pursuant to § 54.207(c) of the
Commission's rules, Saipancell also
requests that the Commission redefine
the service area of the incumbent rural
local exchange carrier, Micronesian
Telephone Corporation (MTC). MTC
serves three islands in the Northern
Mariana Islands—Saipan, Tinian, and
Rota. Saipancell seeks redefinition of
the MTC service area to enable
Saipancell to be designated as an ETC
only for the island of Saipan. The
Wireline Competition Bureau seeks
comment on the Saipancell Petition,
including the requested service area
redefinition. Parties that have already
filed comments on the Saipancell
Petition may, but are not required to,
resubmit their comments.
