[Project No. 503-048]

Idaho Power Company, Idaho; Notice of Availability of Final Environmental Impact Statement for the Swan Falls Project

August 26, 2010.

In accordance with the National Environmental Policy Act of 1969 and the Federal Energy Regulatory Commission's (Commission or FERC's) regulations, 18 Code of Federal Regulations (CFR) Part 380 (Order No. 486, 52 **Federal Register** 47897), the Office of Energy Projects has reviewed Idaho Power Company's application for license for the Swan Falls Project (FERC Project No. 503-048), located on the Snake River in Ada and Owyhee counties, Idaho, about 35 miles southwest of Boise. The project currently occupies 529 acres of federal lands administered by the Bureau of Land Management; however, Idaho Power proposes a reduction in the project boundary to include only 181 acres of federal lands. Commission staff has prepared a final Environmental Impact Statement (EIS) for the project.

The final EIS contains staff's evaluation of the applicant's proposal and alternatives for relicensing the Swan Falls Project. The final EIS documents the views of governmental agencies, non-governmental organizations, affected Indian tribes, the public, the license applicant, and Commission staff.

A copy of the final EIS is available for review at the Commission in the Public Reference Branch, Room 2a, located at 888 First Street, NE., Washington, DC 20426. The final EIS also may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC Online Support at

Centana Intrastate Pipeline, LLC; Notice of Filing

August 27, 2010.

Take notice that on August 25, 2010, Centana Intrastate Pipeline, LLC (Centana) filed in compliance to Delegated Letter Order issued July 26, 2010, in Docket Nos. PR10-9-000 and PR10-9-001. Centana filed revised Statement of Operating Conditions (SOC) for its Storage Services and Transportation Services, incorporating all information relevant to parking and lending services and including revised stand-alone rate sheets listing all services offered and their respective minimum and maximum rates.

Any person desiring to participate in this rate filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the

"eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s).
