DEPARTMENT OF LABOR

Employment and Training Administration

Notice on Reallocation of Workforce Investment Act (WIA) Title I Formula Allotted Funds for Dislocated Worker Activities for Program Year (PY) 2010

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The Workforce Investment Act, Public Law 105–220, requires the Secretary of Labor (Secretary) to conduct reallocation of dislocated worker formula allotted funds based on State financial reports submitted as of the end of the prior PY. This notice publishes PY 2010 dislocated worker funds for recapture by State and the amount to be reallocated to eligible States.

DATES: This notice is effective March 16, 2011.

FOR FURTHER INFORMATION CONTACT: Ms. Grace Kilbane, Administrator, U.S.

Department of Labor, Office of Workforce Investment, Employment and Training Administration, 200 Constitution Avenue, NW., Room S–4231, Washington, DC. Telephone (202) 693–3980 (this is not a toll-free number) or fax (202) 693–3981.

SUPPLEMENTARY INFORMATION: WIA Section 132(c) requires the Secretary to conduct reallocation of WIA funds for the prior program year in any case where unobligated balances exceeded twenty percent. The procedures the Secretary uses for recapture and reallocation of funds are described in WIA regulation at 20 Code of Federal Regulations Section 667.150. For PY 2009 funds, financial reports were analyzed and found zero instances for the WIA Youth and Adult programs in which unobligated balances exceeded twenty percent. For the Dislocated Worker program, however, there were two States that had unobligated PY 2009 funds in excess of 20 percent. Therefore, a total of \$408,982 will be recaptured from PY 2010 funding from these two States and reallocated to the remaining States, as required by WIA Section 132(c). The description of the methodology used for the *calculation of the recapture/reallocation amounts* and the distribution of the changes to PY 2010 formula allotments for dislocated worker activities are attached.

For any State from which funds are being recaptured, WIA Section 132(c)(5) requires the governor to prescribe equitable procedures for reacquiring funds from the State and local areas.
