SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the information collection requirements contained in the Prohibited Transaction Class Exemption for Certain Transactions Between Investment Companies and Employee Benefit Plans (PTE 1977-4). Under circumstances the Employee Retirement Income Security Act (ERISA) would otherwise prohibit, PTE 1977-4 permits an employee benefit plan to purchase and sell shares of an open-end investment company (mutual fund) when a fiduciary with respect to the plan is also the investment advisor for the mutual fund. PTE 1977-4 incorporates three basic disclosure requirements. The first requirement is to disclose any redemption fees in the current prospectus of the open-end mutual fund. The second requirement is that, at the time of the purchase or sale of such mutual fund shares, an independent fiduciary receive a copy of the current prospectus issued by the open-end mutual fund and full written disclosure of the investment advisory fees charged to or paid by the plan and the open-end mutual fund to the investment advisor. The third requirement is that the independent fiduciary (1) be notified of any changes in the fees and (2) give written approval for the plan to purchase or sell affected mutual fund shares or the plan to continue possession of any such mutual fund shares acquired before the fee changes.

ERISA section 408(a) and Internal Revenue Code section 4975(c)(2) authorize this information collection. See 29 U.S.C. 1108(a); 26 U.S.C. 4975(c)(2).

A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0049.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on August 31, 2016. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 26, 2016 (81 FR 33550).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1210-0049. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Death Gratuity

ACTION: Notice.

SUMMARY: The Department of Labor (DOL) is submitting the Office of Workers' Compensation Programs (OWCP) sponsored information collection request (ICR) revision titled, "Death Gratuity," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501 *et seq.*). Public comments on the ICR are invited.

Commenters are encouraged, but not required, to send a courtesy copy of any comments by mail or courier to the U.S. Department of Labor–OASAM, Office of the Chief Information Officer, Attn: Departmental Information Compliance Management Program, Room N1301, 200 Constitution Avenue NW., Washington, DC 20210; or by email: DOL_PRA_PUBLIC@dol.gov.

FOR FURTHER INFORMATION CONTACT:

Michel Smyth by telephone at 202–693–4129, TTY 202–693–8064, (these are not toll-free numbers) or sending an email to DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Death Gratuity Forms. The National Defense Authorization Act for Fiscal Year 2008, Public Law 110–181, amended the Federal Employees' Compensation Act (FECA) by establishing a FECA death gratuity benefit of up to \$100,000 for eligible beneficiaries of Federal employees and Non-Appropriated Fund Instrumentality employees who die from injuries incurred in connection with service with an Armed Force in a contingency operation. The OWCP associates three forms with this ICR. Form CA–40 requests information necessary from an employee who chooses to name alternate beneficiaries from those otherwise established by law. Form CA–41 provides the means for those named beneficiaries to file benefit claims. Information provided by such claimants allows the OWCP to determine payment eligibility. The statute and regulations also require Agencies to notify the OWCP immediately upon the death of a covered employee, and Form CA–42 provides the means to accomplish this notification. This latter form requests information necessary to administer any claim for benefits resulting from such a death. The Federal Employee Compensation Act authorizes this information collection. See 5 U.S.C. 8145, 8149.

This information collection has been classified as a revision, because of changes to the forms. For example, each form has enhanced the statement

informing respondents with disabilities how they may obtain assistance in filing a claim. A certification on Form CA–41 has also been clarified and direct deposit information has been added.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240–0017. The current approval is scheduled to expire on August 31, 2016; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 13, 2016 (81 FR 21905).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240–0017. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
