

number of responses per respondent for drugs and devices the increase in biologics reporting resulted in an overall total reporting burden increase from 5,985 to 7,890.

In table 2 we separated each center's recordkeeping to ensure consistency with table 1 and to accurately capture each center's burden estimates. The average No. of Records Per Recordkeeper increased from 4.12 to 14.15 which represents a total recordkeeping burden increase from 39,094 to 47,828.

Based on a review of Agency data the total burden hours have increased by 13,367. In the previous extension request FDA included burden for the Center for Food Safety and Applied Nutrition (now known as HFP). However, upon reevaluation of these burden estimates, HFP offers a "Certificate of Exportability" for conventional foods, food additives, food contact substances, and infant formula products that cannot be legally marketed in the United States but meets the requirements of section 801(e) of the FD&C Act and may be legally exported (<https://www.fda.gov/food/exporting-food-products-united-states/food-export-certificates>). An interested person may apply for this certificate electronically using the Export Certification Application and Tracking System (<https://www.fda.gov/food/food-export-certificates/online-applications-export-certificates-food>). As part of the application, the interested person attests to compliance with section 801(e) of the FD&C Act as provided in 21 CFR 1.101(b). Notice of Intended Repatriation: San Diego State University, San Diego, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the San Diego State University (SDSU) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after June 2, 2025.

ADDRESSES: Jaime Lennox, San Diego State University, 5500 Campanile Drive, San Diego, CA 92182, telephone (619)594–4575, email jlennox@sdsu.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the SDSU, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of 58 cultural items have been requested for repatriation. The 58 objects of cultural patrimony are ceramic sherds. Collection CMP–SDSU–0687 was donated to SDSU by Lyn Olsson, daughter of archaeologist Jean Kruse and includes items collected by Kruse from throughout California, Baja California, and elsewhere. The 58 items are cataloged as a single entry (SDSU–0687–045) and are noted to have been removed from Old Sacramento, California. It is unknown whether the items have been treated with any hazardous substances. The cultural items are culturally affiliated with the Shingle Springs Band of Miwok Indians and the Wilton Rancheria.

Determinations

SDSU has determined that:

- The 58 objects of cultural patrimony described in this notice have ongoing historical, traditional, or

cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.

- There is a reasonable connection between the cultural items described in this notice and the Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California and the Wilton Rancheria, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after June 2, 2025. If competing requests for repatriation are received, SDSU must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. SDSU is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

Dated: April 25, 2025.
