

FOR FURTHER INFORMATION CONTACT: For further information contact the Cottonwood Field Office, telephone (208) 962-3245; address 1 Butte Drive, Cottonwood, Idaho 83522.

SUPPLEMENTARY INFORMATION: The Cottonwood RMP was developed with broad public participation through a four-year collaborative planning process in accordance with the Federal Land Policy and Management Act of 1976, as amended, and the National Environmental Policy Act of 1969, as amended. This RMP addresses management on approximately 130,000 acres of public land in the Cottonwood Field Office. The Cottonwood RMP is designed to achieve or maintain desired future conditions developed through the planning process. It includes a series of management actions to meet the desired resource conditions for forest, upland, and riparian vegetation; wildlife habitats; cultural and visual resources; and recreation.

The BLM received five protest letters on the Proposed RMP/Final EIS. The BLM Director granted only those protest issues related to domestic sheep grazing within bighorn sheep habitat and remanded this specific portion of the RMP back to the BLM Idaho State Office for further analysis. No inconsistencies with State or local plans, policies, or programs were identified during the Governor's consistency review of the Proposed RMP/Final EIS. As a result, with the exception of decisions regarding domestic sheep and goat grazing, the approved Cottonwood RMP is essentially the same as Alternative B in the Proposed RMP/Final EIS published in June 2008, and only minor editorial modifications were made in preparing the ROD and Approved RMP.

By this Notice, the BLM, Cottonwood Field Office is announcing its intent to prepare a Draft Supplemental EIS to analyze the impacts of domestic sheep and goat grazing in four allotments that overlap or occur in the vicinity of bighorn sheep habitat along the Salmon River east of Riggins, Idaho. The area has been grazed historically by domestic sheep and goats and overlaps with bighorn sheep habitat. The BLM will be inviting other government entities (Federal, State, Tribal and local), with special expertise or jurisdiction, to be cooperators during preparation of the Supplemental EIS. Upon completion, this Draft Supplemental EIS will be

released for public review and comment.

Thomas H. Dyer,
Idaho State Director.

SUPPLEMENTARY INFORMATION:

Background. The final phase of these investigations is being scheduled as a result of affirmative preliminary determinations by the Department of Commerce that certain benefits which constitute subsidies within the meaning of section 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in China of narrow woven ribbons, and that such products from China and Taiwan are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigations were requested in a petition filed on July 9, 2009, by Berwick Offray LLC and its wholly-owned subsidiary Lion Ribbon Company, Inc., Berwick, PA.

Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report. The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on June 25, 2010, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before July 22, 2010. On August 6, 2010, the Commission will make available to parties all information on which they have not had an opportunity to comment.
