Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add § 165.T07–0809 to read as follows:

#### § 165.T07–0809 Safety Zone; St. Croix Coral Reef Swim, Buck Island Channel, USVI

(a) Regulated Area. The Coast Guard is establishing a temporary safety zone on the navigable waters of Buck Island Channel for the annual St. Croix Coral Reef Swim. The zone includes all waters bound by a line connecting the following points: Beginning at Point 1 in position 17-44'42"N, 064-41'48"W; then north to Point 2 on Scotch Bank in position 17-45'36"N, 064-41'48"W; then east to Point 3 at Buck Island Reef National Monument Special Purpose Buoy "J" (LLNR 33112.1) in position 17-46'41"N, 064-38'17"W; then northeast to Point 4 on Buck Island Reef in position 17-47'24"N, 064-37'36"W; then east to Point 5 at Buck Island in position 17-47'24"N, 064-37'30"W; then south and east along the Buck Island shoreline to Point 6 in position 17-47'06"N, 064-37'24"W; then southwest to Point 7 at Coakley Bay in position 17-45'36"N, 064-38'24"W; then west along the St. Croix shoreline to origin. Reference Datum is NAD 1983.

## (b) *Definitions*. The following definitions apply to this section:

Designated representative means Coast Guard Patrol Commanders including Coast Guard coxswains, petty officers and other officers operating Coast Guard vessels and federal, state, and local officers designated by or assisting the Captain of the Port (COTP) San Juan in the enforcement of the safety zone.

- (c) Regulations. In accordance with the general regulations in § 165.23 of this part, entering, anchoring, mooring or transiting in this zone is prohibited unless specifically authorized by the COTP San Juan or a designated representative. Coast Guard Sector San Juan will issue broadcast notice to mariners to advise mariners of this zone. Persons and vessels may request permission to enter the safety zone on VHF-FM Channel 16 or via telephone at (787) 289–2041.
- (d) *Dates*. This rule is effective from 6 a.m. through 1 p.m. on October 19, 2008.

Dated: August 14, 2008.

## J.M. Nunan,

Captain, U.S. Coast Guard, Acting Captain of the Port San Juan.

## DEPARTMENT OF HOMELAND SECURITY

#### **Coast Guard**

#### 33 CFR Part 165

[Docket No. USCG-2008-0912]

RIN 1625-AA00

## Safety Zone; Fireworks Display, Potomac River, National Harbor, MD

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

summary: The Coast Guard proposes to establish a safety zone upon specified waters of the Potomac River. This action is necessary to provide for the safety of life on navigable waters during a fireworks display launched from a discharge barge located at National Harbor, in Prince Georges County, Maryland. This safety zone is intended to protect the maritime public in a portion of the Potomac River.

**DATES:** Comments and related material must reach the Coast Guard on or before October 16, 2008.

ADDRESSES: You may submit comments identified by Coast Guard docket number USCG—2008—0912 to the Docket Management Facility at the U.S. Department of Transportation. To avoid duplication, please use only one of the following methods:

(1) Online: http://www.regulations.gov.

- (2) Mail: Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590–0001.
- (3) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.
  - (4) Fax: 202-493-2251.

## FOR FURTHER INFORMATION CONTACT: If

you have questions on this proposed rule, call Mr. Ronald L. Houck, Coast Guard Sector Baltimore, at 410–576–2674 or 410–576–2693. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

## SUPPLEMENTARY INFORMATION:

## **Public Participation and Request for Comments**

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to http:// www.regulations.gov and will include any personal information you have provided. We have an agreement with the Department of Transportation to use the Docket Management Facility.

## **Submitting Comments**

If you submit a comment, please include the docket number for this rulemaking (USCG-2008-0912), indicate the specific section of this document to which each comment applies, and give the reason for each comment. We recommend that you include your name and a mailing address, an e-mail address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission. You may submit your comments and material by electronic means, mail, fax, or delivery to the Docket Management Facility at the address under ADDRESSES; but please submit your comments and material by only one means. If you submit them by mail or delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them.

## **Viewing Comments and Documents**

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov at any time. Enter the docket number for this rulemaking (USCG-2008-0912) in the Search box, and click "Go >>." You may also visit either the Docket Management Facility in Room W12-140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays; or the Commander, Coast Guard Sector Baltimore, 2401 Hawkins Point Road, Baltimore, Maryland 21226-1791, between 8 a.m. and 3 p.m.. Monday through Friday, except Federal holidays.

## **Privacy Act**

Anyone can search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act, system of records notice regarding

our public dockets in the January 17, 2008 issue of the **Federal Register** (73 FR 3316).

## **Public Meeting**

We do not now plan to hold a public meeting. But you may submit a request for one to the Docket Management Facility at the address under ADDRESSES explaining why one would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register .

## **Background and Purpose**

Fireworks displays are frequently held from locations on or near the navigable waters of the United States. The accidental discharge of fireworks and falling hot embers or other debris are a safety concern during such events. The Coast Guard has the authority to impose appropriate controls on marine events that may pose a threat to persons, vessels and facilities under its jurisdiction. The purpose of this rule is to promote maritime safety, and to protect mariners transiting the area from the potential hazards associated with a fireworks display. The rule is needed to ensure the safety of the maritime public in a portion of the waterway that is expected to be populated by vessel operators and persons seeking to view the fireworks display, as well as mariners operating unknowingly too close to the fireworks discharge site.

## **Discussion of Proposed Rule**

On November 28, 2008, The Peterson Companies at National Harbor, in Prince Georges County, Maryland, will sponsor a fireworks display in support of the National Harbor Holiday Tree Lighting Celebration. The ten-minute aerial display will be launched by Pyrotechnico, Inc. from a fireworks discharge barge located on the Potomac River at 8 p.m. Due to the need for vessel control during the fireworks display, vessel traffic will be restricted to provide for the safety of spectators and transiting vessels.

The Captain of the Port Baltimore, Maryland is proposing to establish a safety zone that will be enforced during the fireworks display held over the Potomac River, at National Harbor, Maryland. This proposed rule establishes a safety zone on the Potomac River, an area approximately 700 yards long and 500 yards wide, within an area bounded by a line drawn from the following points: latitude 38°47′18″ N, longitude 077°01′01″ W; thence to latitude 38°47′11″ N, longitude 077°01′26″ W; thence to latitude 38°47′25″ N, longitude 077°01′33″ W;

thence to latitude 38°47′32″ N, longitude 077°01′08″ W; thence to the point of origin, located at National Harbor, Maryland. The proposed rule will impact the movement of all vessels operating in a specified area of the Potomac River, from 6:30 p.m. through 9:30 p.m. on November 28, 2008, and if necessary due to inclement weather, from 6:30 p.m. through 9:30 p.m. on November 29, 2008.

#### **Regulatory Analyses**

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

#### **Regulatory Planning and Review**

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. There is little commercial vessel traffic during the enforcement period. Because the safety zone lies entirely outside the federal navigation channel, vessel operators may transit safely around the zone.

## **Small Entities**

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: the owners or operators of vessels intending to operate, remain or anchor within certain waters of the Potomac River, at National Harbor, Maryland, from 6:30 p.m. through 9:30 p.m. on November 28, 2008, and if necessary due to inclement weather, from 6:30 p.m. through 9:30 p.m. on November 29, 2008. Because the zone is of limited duration, it is expected that there will be minimal disruption to the maritime community. Before the effective period, the Coast Guard will issue maritime advisories

widely available to users of the river to allow mariners to make alternative plans for transiting the affected area. In addition, smaller vessels not constrained by their draft, which are more likely to be small entities, may transit around the safety zone.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

#### **Assistance for Small Entities**

Under section 213(a) of the Small **Business Regulatory Enforcement** Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Mr. Ronald Houck, at Coast Guard Sector Baltimore, Waterways Management Division, at telephone number (410) 576-2674 or (410) 576-2693. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

## **Collection of Information**

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

## **Federalism**

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

## **Unfunded Mandates Reform Act**

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this proposed rule would not result in such an expenditure, we do

discuss the effects of this rule elsewhere in this preamble.

## **Taking of Private Property**

This proposed rule would not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

#### **Civil Justice Reform**

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

#### **Protection of Children**

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

## **Indian Tribal Governments**

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

## **Energy Effects**

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

## **Technical Standards**

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

#### **Environment**

We have analyzed this proposed rule under Department of Homeland Security Management Directive 5100.1 and Commandant Instruction M16475.lD, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have made a preliminary determination under the Instruction that this action is not likely to have a significant effect on the human environment. An environmental analysis checklist supporting this preliminary determination is available in the docket where indicated under ADDRESSES. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

## List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, and Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

# PART 165—REGULATED NAVIATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

**Authority:** 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

2. Add temporary § 165.T05–0912 to read as follows:

#### § 165.T05–0912 Safety zone; Fireworks Display, Potomac River, National Harbor, MD

(a) Definitions. For the purposes of this section, *Captain of the Port Baltimore*, Maryland means the Commander, Coast Guard Sector Baltimore or any Coast Guard commissioned, warrant, or petty officer who has been authorized by the Captain of the Port, Baltimore, Maryland to act on his or her behalf.

- (b) Regulated Area. The following area is a safety zone: All waters of the Potomac River, surface to bottom, within an area bounded by a line drawn from the following points: Latitude 38°47′18″ N, longitude 077°01′01″ W; thence to latitude 38°47′11″ N, longitude 077°01′26″ W; thence to latitude 38°47′25″ N, longitude 077°01′33″ W; thence to latitude 38°47′32″ N, longitude 077°01′08″ W; thence to the point of origin, located at National Harbor, Maryland. All coordinates reference North American Datum 1983.
  - (c) Regulations:
- (1) The general regulations governing safety zones, found in 33 CFR 165.23, apply to the safety zone described in paragraph (b) of this section.
- (2) Entry into or remaining in this zone is prohibited, unless authorized by the Captain of the Port Baltimore, Maryland.
- (3) Persons or vessels requiring entry into or passage through the safety zone must first request authorization from the Captain of the Port Baltimore, Maryland to seek permission to transit the area. The Captain of the Port Baltimore, Maryland can be contacted at telephone number 410-576-2693. The Coast Guard vessels enforcing this section can be contacted on Marine Band Radio VHF Channel 16 (156.8 MHz). Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the person or vessel shall proceed as directed. If permission is granted, all persons or vessels must comply with the instructions of the Captain of the Port Baltimore, Maryland.
- (d) Enforcement. The U.S. Coast Guard may be assisted in the patrol and enforcement of the zone by Federal, State and local agencies.
- (e) Enforcement period. This rule is effective from 6:30 p.m. through 9:30 p.m. on November 28, 2008, and if necessary due to inclement weather, from 6:30 p.m. through 9:30 p.m. on November 29, 2008.

Dated: August 28, 2008.

## Brian D. Kelley,

Captain, U.S. Coast Guard, Captain of the Port, Baltimore, Maryland. [FR Doc. E8–21551 Filed 9–15–08; 8:45 am]

BILLING CODE 4910-15-P
