The Review Committee is soliciting presentations by Indian tribes, Native Hawaiian organizations, museums, and Federal agencies on the progress made, and any barriers encountered, in implementing NAGPRA. The Review Committee also will consider other presentations by Indian tribes, Native Hawaiian organizations, museums, Federal agencies, and the public. A presentation request must, at minimum, include an abstract of the presentation and contact information for the presenter(s). Presentation requests must be received by August 23, 2011.

The Review Committee will consider requests for a recommendation to the Secretary of the Interior, as required by law, in order to effect the agreed-upon disposition of Native American human remains determined to be culturally unidentifiable (CUI). A CUI disposition request must include the appropriate, completed form posted on the National NAGPRA Program Web site and, as applicable, the ancillary materials noted on the form. A request to convene parties and facilitate a dispute must include the completed form posted on the National NAGPRA Program Web site and, as applicable, the ancillary materials noted

on the form. To access and download the form, go to <http://www.nps.gov/nagpra>, and then click on “Request to Convene Parties and Facilitate a Dispute Form.” Requests to convene parties and facilitate a dispute must be received by July 1, 2011.

Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** The underlying investigation was instituted on May 7, 2007, based on a complaint filed by Global Locate, Inc., a subsidiary of Broadcom Corporation (collectively, "Broadcom"). 72 FR 25777 (2007). The complaint alleged violations of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain GPS devices and products containing the same by reason of infringement of various claims of U.S. Patents. The complaint in the underlying investigation named various respondents. On January 15, 2009, the Commission found a violation of section 337 by the respondents by reason of infringement of all asserted patents. The Commission issued a limited exclusion order and cease-and-desist orders against the respondents. Respondents subsequently appealed the Commission's final determination to the United States Court of Appeals for Federal Circuit ("Federal Circuit"). In a precedential opinion issued April 12, 2010, the Federal Circuit affirmed the Commission's Final Determination in all respects.

On August 16, 2010, the Commission instituted modification proceedings based on a petition seeking modification of the Commission's remedial orders filed by the respondents. On December 7, 2010, the Commission also instituted enforcement proceedings based on an enforcement complaint filed by Broadcom.

On January 14, 2011, Broadcom and the respondents filed joint motions to terminate these proceedings based on a settlement agreement. On January 27, 2011, the Commission investigative attorney supported the joint motions for termination.

On January 28, the ALJ granted the joint motions to terminate these proceedings and issued the subject IDs.

No petitions for review of the IDs were filed. The Commission has determined not to review the subject IDs.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42 of the Commission's Rules of Practice and Procedure (19 CFR 210.42).

Issued: February 28, 2011.

By order of the Commission.
