

information, present the focused array of alternatives, and seek public feedback that will inform the next level of evaluation to identify a Tentatively Selected Plan (TSP). The TSP may be a single alternative or comprised of several alternatives from the focused array under consideration.

Note: This is not a Notice of Extension associated with the release of a Draft Environmental Impact Statement (EIS) in accordance with the National Environmental Policy Act. This is an interim step intended to gather public feedback before a Draft EIS is released.

3. *Solicitation of Comments:* The USACE is soliciting comments on the Interim Report from the public, Federal, State, and local agencies, elected officials, Tribal Nations, and other interested parties. The public comment period initially began on October 2, 2020, but has been extended to November 20, 2020. Public comments may be submitted by email or through postal mail at the addresses provided above.

4. *Public Participation and Meetings:* Four virtual public meetings were held in October 2020. Over 450 people participated in the virtual meetings, which included an overview of the alternatives being considered and a question and answer session. No additional public meetings are scheduled during the extension period.

5. *Identification of Tentatively Selected Plan and Availability of Draft EIS.* Depending on input received on the Interim Report, USACE estimates issuing a Draft Feasibility Report and Draft Environmental Impact Statement for public review and comment in early 2021. At that time, USACE will provide a 45-day public review period, in accordance with the National Environmental Policy Act (NEPA). USACE will notify all interested agencies, organizations, and individuals of the availability of the draft document at that time.

The executive session of the meeting from 11:00 a.m. to 12:00 p.m. on December 7, 2020, will consist of discussions of new and pending administrative or minor disciplinary infractions and non-judicial punishments involving midshipmen attending the Naval Academy, to include but not limited to, individual honor or conduct violations within the Brigade, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. For this

reason, the executive session of this meeting will be closed to the public, as the discussion of such information cannot be adequately segregated from other topics, which precludes opening the executive session of this meeting to the public.
