AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 10, 2010.

SUPPLEMENTARY INFORMATION:**Background**

On July 29, 2009, the Department of Commerce ("the Department") published the initiation of administrative reviews of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC"). See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Review*, 74 FR 37690 (July 29, 2009). These reviews cover the periods June 1, 2007, through May 31, 2008, and June 1, 2008, through May 31, 2009.¹ The preliminary results of these reviews are currently due no later than March 2, 2010.

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding have been extended by seven days. The revised deadline for the preliminary results of these reviews are now March 9, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the

Government Closure During the Recent Snowstorm," dated February 12, 2010.

Extension of Time Limit for Preliminary Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the preliminary results of the administrative reviews of folding metal tables and chairs from the PRC within this time limit. Specifically, additional time is needed to determine the appropriate surrogate country and surrogate values with which to value factors of production. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of these reviews, which are currently due on March 9, 2010, by 60 days. Therefore, the preliminary results are now due no later than May 8, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: March 3, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

DEPARTMENT OF COMMERCE**International Trade Administration****[A-570-891]****Hand Trucks and Certain Parts Thereof from the People's Republic of China: Final Results of Expedited Five-year (Sunset) Review of Antidumping Duty Order**

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On November 2, 2009, the Department of Commerce (the Department) initiated a sunset review of the antidumping duty order on hand trucks and certain parts thereof (hand trucks) from the People's Republic of China (PRC) pursuant to section 751(c)

of the Tariff Act of 1930, as amended (the Act). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of one domestic interested party, and the lack of a response from respondent interested parties, the Department conducted an expedited (120-day) sunset review of this antidumping duty order. As a result of this sunset review, the Department finds that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping at the levels identified below in the "Final Results of Sunset Review" section of this notice.

EFFECTIVE DATE: March 10, 2010.

FOR FURTHER INFORMATION:

David Cordell or Scott Hoefke, AD/CVD Operations, Office 7, or Dana Mermelstein, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0408, (202) 482-4947 or (202) 482-1391, respectively.

SUPPLEMENTARY INFORMATION:**Background**

On November 2, 2009, the Department initiated a sunset review of the antidumping duty order on hand trucks from the PRC pursuant to section 751(c) of the Act. See *Initiation of Five-year ("Sunset") Reviews*, 74 FR 56593 (November 2, 2009). The Department received a notice of intent to participate from the domestic interested parties, Gleason Industrial Products, Inc. and Precision Products, Inc. (collectively, Gleason) within the deadline specified in 19 CFR 351.218(d)(1)(i).

Gleason claimed interested party status under section 771(9)(C) of the Act as a U.S. manufacturer and producer of the subject merchandise. On November 24, 2009, the Department received a complete substantive response from Gleason within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department received no substantive responses from respondent interested parties. As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), the Department has conducted an expedited sunset review of this order.

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from February 5, through February 12, 2010. Thus, all deadlines in this segment of the proceeding have been extended by

¹ On June 30, 2008, Feili requested that the Department conduct an administrative review of their sales for the period June 1, 2007, through May 31, 2008, and in addition, requested that the Department defer the initiation of the review for one year in accordance with 19 CFR 351.213(c). Consequently, on July 29, 2009, the Department initiated reviews for Feili covering both the 2007-08 and 2008-09 review periods.

seven days. The revised deadline for the final results of this review is now March 9, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

Scope of the Order

The merchandise subject to this antidumping duty order consists of hand trucks manufactured from any material, whether assembled or unassembled, complete or incomplete, suitable for any use, and certain parts thereof, namely the vertical frame, the handling area and the projecting edges or toe plate, and any combination thereof.

A complete or fully assembled hand truck is a hand-propelled barrow consisting of a vertically disposed frame having a handle or more than one handle at or near the upper section of the vertical frame; at least two wheels at or near the lower section of the vertical frame; and a horizontal projecting edge or edges, or toe plate, perpendicular or angled to the vertical frame, at or near the lower section of the vertical frame. The projecting edge or edges, or toe plate, slides under a load for purposes of lifting and/or moving the load.

That the vertical frame can be converted from a vertical setting to a horizontal setting, then operated in that horizontal setting as a platform, is not a basis for exclusion of the hand truck from the scope of this order. That the vertical frame, handling area, wheels, projecting edges or other parts of the hand truck can be collapsed or folded is not a basis for exclusion of the hand truck from the scope of the order. That other wheels may be connected to the vertical frame, handling area, projecting edges, or other parts of the hand truck, in addition to the two or more wheels located at or near the lower section of the vertical frame, is not a basis for exclusion of the hand truck from the scope of the order. Finally, that the hand truck may exhibit physical characteristics in addition to the vertical frame, the handling area, the projecting edges or toe plate, and the two wheels at or near the lower section of the vertical frame, is not a basis for exclusion of the hand truck from the scope of the order.

Examples of names commonly used to reference hand trucks are hand truck, convertible hand truck, appliance hand truck, cylinder hand truck, bag truck, dolly, or hand trolley. They are typically imported under heading 8716.80.50.10 of the Harmonized Tariff Schedule of

the United States (HTSUS), although they may also be imported under heading 8716.80.50.90. Specific parts of a hand truck, namely the vertical frame, the handling area and the projecting edges or toe plate, or any combination thereof, are typically imported under heading 8716.90.50.60 of the HTSUS. Although the HTSUS subheadings are provided for convenience and customs purposes, the Department's written description of the scope is dispositive.

Excluded from the scope are small two-wheel or four-wheel utility carts specifically designed for carrying loads like personal bags or luggage in which the frame is made from telescoping tubular materials measuring less than 5/8 inch in diameter; hand trucks that use motorized operations either to move the hand truck from one location to the next or to assist in the lifting of items placed on the hand truck; vertical carriers designed specifically to transport golf bags; and wheels and tires used in the manufacture of hand trucks. The written description remains dispositive.

Analysis of Comments Received

All issues raised in this case are addressed in the Issues and Decision Memorandum from John M. Andersen, Acting Deputy Assistant Secretary for AD/CVD Operations, Import Administration, to Carole Showers, Acting Deputy Assistant Secretary for Import Administration, dated March 2, 2010 (Decision Memorandum), which is hereby adopted by this notice. The issues discussed in the Decision Memorandum include the likelihood of continuation or recurrence of dumping and the magnitude of the margin likely to prevail if the order was revoked. Parties can find a complete discussion of all issues raised in this sunset review and the corresponding recommendations in this public memorandum, which is on file in room 1117 of the main Department building.

In addition, a complete version of the Decision Memorandum can be accessed directly on the Internet at <http://ia.ita.doc.gov/frn/>. The paper copy and electronic version of the Decision Memorandum are identical in content.

Final Results of Sunset Review

Qingdao Taifa Group Co., Ltd.	26.49 percent
True Potential Co.	33.68 percent
Qingdao Huatian Hand Truck Co., Ltd.	46.48 percent
Shandong Machinery Import & Export Group Corp.	32.76 percent
Qingdao Future Tool Inc.	32.76 percent
PRC-wide rate	383.60 percent
