Abstract: The Secretary of the U.S. Department of Education is authorized under Section 487A(b) of the Higher Education Act of 1965, as amended (HEA), to periodically select a limited number of postsecondary institutions for voluntary participation as experimental sites under the Experimental Sites Initiative (ESI). Institutions and the experiments provide recommendations to the Secretary on the impact and effectiveness of proposed regulations or new management initiatives. Participating postsecondary educational institutions are exempt from specific designated statutory and regulatory requirements while conducting the experiments.

Federal Student Aid (FSA) is requesting a revision of the current information collection 1845–0150. This request is due to changes in the reporting guidelines. FSA is adding new COVID–19 related questions to the Institutional Survey of the schools participating in the Experimental Sites Initiative. FSA is adding new questions to the Institutional Survey of the schools participating in the new Federal Work-Study Experiment. The additional data collection questions are for the new Federal Work-Study Experiment, and FSA has integrated this request with ongoing data collection efforts for the

ESI. FSA is increasing school reporting due to the new Federal Work-Study Experiment and the expansion of Second Chance Pell schools. Finally, several of the survey items schools participating in the Second Chance Pell are asked to complete have been reworded.
