

accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Education Stabilization Fund- Elementary and Secondary School Emergency Relief Fund (ESSER I/ESSER II/ARP ESSER Fund) Recipient Data Collection Form.

OMB Control Number: 1810-0749.

Type of Review: Revision of a currently approved collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 14,652.

Total Estimated Number of Annual Burden Hours: 2,051,943.

Abstract: Under the current unprecedented national health emergency, the legislative and executive branches of government have come together to offer relief to those individuals and industries affected by the COVID-19 virus under the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Pub. L. 116-136) authorized on March 27, 2020, and expanded through the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, and the American Rescue Plan (ARP) Act. The ESSER Fund awards grants to SEAs and for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, as well as Outlying Areas, with emergency relief funds to address the impact that Novel Coronavirus Disease 2019 (COVID-19)

has had, and continues to have, on elementary and secondary schools across the Nation.

This information collection requests a revision for a three-year approval of the form which includes the addition of three items recently approved through the emergency collection, as well as technical changes to clarify reporting pertaining to ESSER services supporting extended instructional time and early childhood programs. Please refer to Attachments A-1 and A-2, which include the changes to the form; Attachment B, which addresses response to 60-day public comments, and Attachment C, which outlines the technical changes.

DEPARTMENT OF ENERGY

Notice of Request for Information (RFI) on Designing Equitable, Sustainable, and Effective Revolving Loan Fund Programs

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy (DOE).

ACTION: Request for information (RFI).

SUMMARY: The U.S. Department of Energy (DOE) invites public comment on its request for information (RFI) regarding promising, innovative, and best practices for designing revolving loan funds (RLFs). The purpose of the RFI is to collect stakeholder feedback to inform DOE's program guidance for States developing RLFs with funding made available through the Infrastructure Investment and Jobs Act, "Energy efficiency revolving loan fund capitalization grant program."

DATES: Responses to the RFI must be received by no later than 11:59 p.m. EST on May 6th, 2022.

ADDRESSES: Interested parties are to submit comments electronically to EERevolvingLoanFund@ee.doe.gov. Include "Designing Equitable, Sustainable, and Effective Revolving Loan Fund Programs RFI Response" in the subject line of the email. Responses must be provided as attachments to an email. Responses must be provided as a Microsoft Word (.docx) attachment to the email, and no more than 5 pages in

length, 12-point font, 1-inch margins. If possible, copy and paste the RFI sections as a template for your responses. It is recommended that attachments with file sizes exceeding 25MB be compressed (*i.e.*, zipped) to ensure message delivery. Only electronic responses will be accepted. The complete RFI document is located at <https://eere-exchange.energy.gov/>.

FOR FURTHER INFORMATION CONTACT:

Questions may be addressed to EERevolvingLoanFund@ee.doe.gov or to Julie Howe at 720-356-1628 or julie.howe@ee.doe.gov. Further instruction can be found in the RFI document posted on EERE Exchange at <https://eere-exchange.energy.gov/>.

SUPPLEMENTARY INFORMATION: The Department of Energy's (DOE) Weatherization and Intergovernmental Programs Office, in coordination with DOE's Building Technologies Office, seeks input on promising, innovative, and best practices for designing revolving loan funds (RLFs) from private lenders, investors, labor groups, community development organizations, environmental justice organizations, disadvantaged communities, States, local governments, and other energy system stakeholders. Pursuant to the implementation of section 40502 of the Infrastructure Investment and Jobs Act, Public Law 117-58, DOE is seeking to create program guidance that will assist States, as well as potentially other entities,¹ in designing, managing, and improving RLFs. (42 U.S.C. 18792)

Responses from this request for information (RFI) will be used to inform DOE's program support documentation to help States in creating, augmenting, or refining their RLFs to drive successful and equitable outcomes. This documentation may also be used to support States in drafting their applications to DOE or their own program design documentation.

Specific questions can be found in the RFI available at: <https://eere-exchange.energy.gov/>. This is solely a request for information and not a Funding Opportunity Announcement. DOE is not accepting applications at this time.

Confidential Business Information:

Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit via email two well-marked copies: One copy of the document marked "confidential" including all the

SUPPLEMENTARY INFORMATION:

Title: FERC-912, PURPA Section 210(m) Notification Requirements Applicable to Cogeneration and Small Power Production Facilities.

OMB Control No.: 1902-0237.

Type of Request: Three-year extension of the FERC-912 information collection

requirements with no changes to the current reporting requirements.

Abstract: On 8/8/2005, the Energy Policy Act of 2005 (EPAct 2005)¹ was signed into law. Section 1253(a) of EPAct 2005 amends Section 210 of the Public Utility Regulatory Policies Act of 1978 (PURPA) by adding subsection “(m),” that provides, based on a specified showing, for the termination and subsequent reinstatement of an electric utility’s obligation to purchase from, and sell energy and capacity to, qualifying facilities (QFs). In 2019 the Commission revised its regulations in 18 CFR 292.309–292.313 in Docket No. RM19-15-000 to account for industry changes. These industry changes include: The decrease in reliance on oil and natural gas, the increase of natural gas supply due to access of shale reserves, and the decreasing costs of renewable energy sources. Due to the modifications in the rulemaking, the Commission revised its information collection requirements. The Commission now collects the following information on FERC Form 912:

- § 292.310: An electric utility’s application for the *termination of its obligation* to purchase energy from a QF,
- § 292.311: An affected entity or person’s application to the Commission for an order *reinstating the electric utility’s obligation* to purchase energy from a QF,
- § 292.312: An electric utility’s application for the *termination of its obligation* to sell energy and capacity to QFs, and
- § 292.313: An affected entity or person’s application to the Commission for an order *reinstating the electric utility’s obligation* to sell energy and capacity to QFs.²

Type of Respondents: Electric utilities.

Estimate of Annual Burden:³ The Commission estimates the total Public Reporting Burden and cost for this information collection as follows:

¹ Public Law 109-58, 119 Stat. 594 (2005).

² 18 CFR 292.311 and 292.313.

³ Burden as the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. For further explanation of what is included in the information collection burden, refer to Title 5 Code of Federal Regulations 1320.3.
