

and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. Type of Information Collection
Request: Revision of a currently approved collection; *Title of Information Collection:* Data Use Agreement (DUA) Form, Research Identifiable Files Request Packet; *Use:* Coverage for the prescription drug benefit is provided through contracted prescription drug plans (PDPs) or through Medicare Advantage (MA) plans that offer integrated prescription drug and health care coverage (MA–PD plans). Cost Plans that are regulated under Section 1876 of the Social Security Act, and Employer Group Waiver Plans (EGWP) may also provide a Part D benefit. Organizations wishing to provide services under the Prescription Drug Benefit Program must complete an application, negotiate rates, and receive final approval from CMS. Existing Part D Sponsors may also expand their contracted service area by completing the Service Area Expansion (SAE) application.

Collection of this information is mandated in Part D of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) in Subpart 3. The application requirements are codified in Subpart K of 42 CFR 423 entitled “Application Procedures and Contracts with PDP Sponsors.”

The information will be collected under the solicitation of proposals from PDP, MA–PD, Cost Plan, Program of All Inclusive Care for the Elderly (PACE), and EGWP applicants. The collected information will be used by CMS to: (1) Ensure that applicants meet CMS requirements for offering Part D plans (including network adequacy, contracting requirements, and compliance program requirements, as described in the application), (2) support the determination of contract awards. *Form Numbers:* CMS–R–235 (OMB control number: 0938–0734);

Frequency: Occasionally; *Affected Public:* Private Sector, State, Local, or Tribal Governments, Federal Government (Business or for-profits and Not-for-profit institutions); *Number of Respondents:* 8,445; *Total Annual Responses:* 8,445; *Total Annual Hours:* 2,396. (For policy questions regarding this collection contact Kari A. Gaare at 410–786–8612.)

2. Type of Information Collection
Request: Revision of a currently approved collection; *Title of Information Collection:* Contract Year 2023 Plan Benefit Package (PBP) Software and Formulary Submission; *Use:* Under the Medicare Modernization Act (MMA), Medicare Advantage (MA) and Prescription Drug Plan (PDP) organizations are required to submit plan benefit packages for all Medicare beneficiaries residing in their service area. The plan benefit package submission consists of the Plan Benefit Package (PBP) software, formulary file, and supporting documentation, as necessary. MA and PDP organizations use the PBP software to describe their organization’s plan benefit packages, including information on premiums, cost sharing, authorization rules, and supplemental benefits. They also generate a formulary to describe their list of drugs, including information on prior authorization, step therapy, tiering, and quantity limits.

CMS requires that MA and PDP organizations submit a completed PBP and formulary as part of the annual bidding process. During this process, organizations prepare their proposed plan benefit packages for the upcoming contract year and submit them to CMS for review and approval. CMS uses this data to review and approve the benefit packages that the plans will offer to Medicare beneficiaries. This allows CMS to review the benefit packages in a consistent way across all submitted bids during with incredibly tight timeframes. This data is also used to populate data on Medicare Plan Finder, which allows beneficiaries to access and compare Medicare Advantage and Prescription Drug plans. *Form Number:* CMS–R–262 (OMB control number: 0938–0763); *Frequency:* Yearly; *Affected Public:* Private sector (Business or other for-profits and Not-for-profit institutions), State, Local, or Tribal Governments; *Number of Respondents:* 785; *Total Annual Responses:* 8,405; *Total Annual Hours:* 76,378. Administration for Children and Families

Submission for OMB Review; Data Collection for the Integrating Financial Capability and Employment Services Project (New Collection)

AGENCY: Office of Planning, Research, and Evaluation, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Planning, Research, and Evaluation (OPRE), Administration for Children and Families (ACF), U.S. Department of Health and Human Services (HHS), is proposing a data collection activity as part of the Integrating Financial Capability and Employment Services Project. The objective of this project is to better understand financial capability interventions offered in the context of delivering employment and training services for low-income adults. This descriptive study intends to use this information to build more evidence about the extent, forms, and practices of incorporating financial capability interventions into organizations delivering employment and training services for low-income adult populations, and to help establish a basis for future research and evaluation in this area. This project will focus on organizations delivering employment and training services that also offer financial capability services to low-income adults.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open

for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: The objective of the Integrating Financial Capability and Employment Services Project is to better understand financial capability interventions offered in the context of delivering employment and training services for low-income adults. This descriptive study intends to use the information collected to build more evidence about the extent, forms, and practices of incorporating financial capability interventions into organizations delivering employment and training services for low-income adult populations, and to help establish a basis for future research and evaluation in this area. This project will focus on organizations delivering

employment and training services that also offer financial capability services to low-income adults and will include:

- An online survey of organizations to document important factors driving the decision to incorporate financial capability services as well as key inputs, activities, and outputs involved in offering such services;
- phone interviews of administrators of organizations to gather qualitative information on how organizations implement financial capability across a variety of program types;
- virtual site visits to four organizations to collect in-depth qualitative information from multiple perspectives on notable models;
- interviews with participants to provide context on participants’ perspectives on these services;

- interviews with employers offering financial capability services to collect qualitative information on the types of financial capability services delivered in the employer context; and

- focus groups with administrators of organizations to identify challenges integrating financial capability services into employment and training services.

Respondents: Individuals that are currently receiving or have received financial capability services; administrators, managers, and staff of employment and training programs; managers and staff of programs that partner with employment and training programs; and leadership at private employers.

Administration for Children and Families

Submission for OMB Review; ACF-901—American Rescue Plan (ARP) Stabilization Grants Provider-Level Data (New Collection)

AGENCY: Office of Child Care, Administration for Children and Families, HHS.

ACTION: Request for public comment.

SUMMARY: The Office of Child Care, Administration for Children and

Families (ACF), U.S. Department of Health and Human Services (HHS), is proposing to collect data for a new collection, ACF-901—American Rescue Plan (ARP) Stabilization Grants Provider-Level Data. The data collection will provide numbers and characteristics of child care providers receiving ARP Act stabilization grant awards.

DATES: *Comments due within 30 days of publication.* OMB must make a decision about the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting

“Currently under 30-day Review—Open for Public Comments” or by using the search function. You can also obtain copies of the proposed collection of information by emailing infocollection@acf.hhs.gov. Identify all emailed requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The ARP Act of 2021 (Sec. 2202, Pub. L. 117-2) included approximately \$24 billion in funding for child care stabilization grants. State and territory lead agencies must spend at least 90 percent of the stabilization funds as subgrants to qualified child care providers to support the stability of the child care sector during and after the COVID-19 public health emergency. Data collection will include child care provider-level information about the numbers and characteristics of child care providers receiving stabilization grant awards.

Respondents: State and Territory Lead Agencies.
