

five percent alumina levels upon importation (as measured by a testing protocol that does not create aluminum oxidation in the tested materials, or that accounts for such distortions in the resulting chemical composition analysis) and otherwise meeting the parameters of the scope of the *Orders*, entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation, as discussed above in the “Continuation of Suspension of Liquidation” section.

Notification Regarding Administrative Protective Order

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published pursuant to section 517 of the Act and 19 CFR 351.227(e)(2).

Dated: April 27, 2023.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

Certain Aluminum Foil From the People’s Republic of China: Preliminary Results of Countervailing Duty Administrative Review and Rescission of Review, in Part; 2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that producers and exporters of certain aluminum foil (aluminum foil) from the People’s Republic of China (China) received countervailable subsidies during the period of review (POR), January 1, 2021, through December 31, 2021.

DATES: Applicable May 4, 2023.

FOR FURTHER INFORMATION CONTACT: Natasia Harrison, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–1240.

SUPPLEMENTARY INFORMATION:

Background

On June 9, 2022, Commerce published a notice of initiation of an administrative review of the order,¹ covering the requested companies.² As explained below, on September 7, 2022, the Aluminum Association Trade Enforcement Working Group (the petitioners) withdrew their review requests with respect to certain companies.³ On December 8, 2022, Commerce extended the deadline for completion of these preliminary results until no later than April 28, 2023.⁴

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵ A list of topics

¹ See *Certain Aluminum Foil from the People’s Republic of China: Amended Final Affirmative Countervailing Duty Determination and Countervailing Duty Order*, 83 FR 17360 (April 19, 2018) (*Order*).

² See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 87 FR 35165 (June 9, 2022) (*Initiation Notice*).

³ See Petitioners’ Letter, “Petitioners’ Partial Withdrawal of Requests for Administrative Reviews,” dated September 7, 2022 (Petitioners’ Withdrawal of Review Requests).

⁴ See Memorandum, “Extension of Deadline for Preliminary Results of Countervailing Duty Administrative Review; 2021,” dated December 8, 2022.

⁵ See Memorandum, “Decision Memorandum for the Preliminary Results of the Countervailing Duty Administrative Review of Certain Aluminum Foil

discussed in the Preliminary Decision Memorandum is included appendix I to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by the *Order* is aluminum foil from China. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the accompanying Preliminary Decision Memorandum.

Commerce notes that, in making these findings, it relied, in part, on facts available and, because it finds that the Government of China did not act to the best of its ability to respond to Commerce’s requests for certain information, it drew an adverse inference, where appropriate, in selecting from among the facts otherwise available. For further information, see the Preliminary Decision Memorandum at “Use of Facts Otherwise Available and Adverse Inferences.”

The subsidy rate calculated in these preliminary results for the mandatory respondent reflects an entered value adjustment.⁷

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an

from the People’s Republic of China; 2021,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

⁷ See Preliminary Decision Memorandum at “Entered Value Adjustment,” for a discussion of the methodology.

administrative review, in whole or in part, if the party or parties that requested a review withdraw the request within 90 days of the publication date of the notice of initiation of the requested review. As noted above the petitioners timely withdrew their

requests for review of certain companies.⁸

Because no other party requested a review of these 15 companies, and in accordance with 19 CFR 351.213(d)(1), we are rescinding the review with

respect to these companies (see appendix II).

Preliminary Results of Review

Commerce preliminarily determines that, during the POR, the following countervailable subsidy rates exist:

Company	Subsidy rate (percent <i>ad valorem</i>)
Anhui Zhongji Battery Foil Science & Technology Co., Ltd. (aka Anhui Zhongji Battery Foil Sci&Tech Co., Ltd.); Jiangsu Huafeng Aluminum Industry Co., Ltd.; Jiangsu Zhongji Lamination Materials Co., Ltd. (f/k/a Jiangsu Zhongji Lamination Materials Stock Co., Ltd.); Jiangsu Zhongji Lamination Materials Co., (HK) Limited; and Shantou Wanshun New Material Group Co., Ltd. (f/k/a Shantou Wanshun Package Material Stock Co., Ltd.) ⁹	¹⁰ 24.37
Dingsheng Aluminum Industries (Hong Kong) Trading Co., Ltd.; Hangzhou DingCheng Aluminum Co., Ltd.; Hangzhou Dingsheng Import & Export Co. Ltd.; Hangzhou Dingsheng Industrial Group Co. Ltd.; Hangzhou Five Star Aluminium Co., Ltd.; Hangzhou Teemful Aluminum Co., Ltd.; Jiangsu Dingsheng New Materials Joint-Stock Co., Ltd.; Luoyang Longding Aluminium Industries Co., Ltd.; and Walson (HK) Trading Co., Limited. ¹¹	¹² 25.20
Shanghai Shenyang Packaging Materials Co., Ltd	¹³ 25.20

Assessment Rates

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

⁸ See Petitioners' Withdrawal of Review Requests. The petitioners also withdrew their request for review for three companies which were found to be cross-owned with Jiangsu Zhongji Lamination Materials Stock Co., Ltd. in a prior segment of this proceeding. These companies are: Anhui Maximum Aluminium Industries Company Ltd., Jiangsu Huafeng Aluminum Industry Co., Ltd. and Shantou Wanshun Package Material Stock Co., Ltd. See Petitioners' Withdrawal of Review Requests at 3–4. During the course of this review, we determined that Anhui Maximum Aluminium Industries Company Ltd. and Shantou Wanshun Package Material Stock Co., Ltd. changed their names to Anhui Zhongji Battery Foil Science & Technology Co., Ltd. (aka Anhui Zhongji Battery Foil Sci&Tech Co., Ltd.) and Shantou Wanshun New Material Group Co., Ltd. (f/k/a Shantou Wanshun Package Material Stock Co., Ltd.), respectively. Thus, these three companies are included in the "Preliminary Results of Review" section below under their updated company names, as applicable, and preliminarily determined to be cross-owned with Jiangsu Zhongji Lamination Materials Stock Co., Ltd.

⁹ In the first administrative review of the *Order*, Commerce found the following companies to be cross-owned: Anhui Maximum Aluminium Industries Company Ltd.; Jiangsu Huafeng Aluminum Industry Co., Ltd.; Jiangsu Zhongji Lamination Materials Co., Ltd. (f/k/a Jiangsu Zhongji Lamination Materials Stock Co., Ltd.); Jiangsu Zhongji Lamination Materials Co., (HK)

For the companies for which this review is rescinded with these preliminary results, Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2021, through December 31, 2021, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP no later than 35 days after publication of this notice in the **Federal Register**.

Ltd.; Shantou Wanshun Package Material Stock Co., Ltd.; and Anhui Maximum Aluminium Industries Company Ltd. The subsidy rate applies to all cross-owned companies. See *Certain Aluminum Foil from the People's Republic of China: Final Results of the Countervailing Duty Administrative Review; 2017–2018*, 86 FR 12171 (March 2, 2021). While the petitioners withdrew their review requests for Anhui Maximum Aluminium Industries Company Ltd., Jiangsu Huafeng Aluminum Industry Co., Ltd., and Shantou Wanshun Package Material Stock Co., Ltd., because these companies were previously found to be cross-owned with a company which is subject to this review, we preliminarily intend not to rescind the review with respect to these companies.

¹⁰ This net countervailable *ad valorem* subsidy rate reflects an entered value adjustment (EVA). See Preliminary Decision Memorandum at 8–9.

¹¹ In the investigation, Commerce found the following companies to be cross-owned: Dingsheng Aluminum Industries (Hong Kong) Trading Co., Ltd.; Hangzhou DingCheng Aluminum Co., Ltd.; Hangzhou Dingsheng Import & Export Co. Ltd.; Hangzhou Dingsheng Industrial Group Co. Ltd.; Hangzhou Five Star Aluminium Co., Ltd.; Hangzhou Teemful Aluminium Co., Ltd.; Jiangsu Dingsheng New Materials Joint-Stock Co., Ltd.; Luoyang Longding Aluminium Co., Ltd.; and Walson (HK) Trading Co., Limited. The subsidy rate applies to all cross-owned companies. See *Order*.

¹² This reflects the net countervailable *ad valorem* subsidy rate without the EVA. See Preliminary Decision Memorandum at 8–9.

¹³ This reflects the net countervailable *ad valorem* subsidy rate without the EVA. See Preliminary Decision Memorandum at 8–9.

Cash Deposit Requirements

Pursuant to section 751(a)(1) of the Act, upon issuance of the final results, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties for each of the companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, except where the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results. Interested parties may submit written comments (case briefs) within 30 days of publication of the preliminary results and rebuttal comments (rebuttal briefs) within seven days after the time limit for filing case briefs.¹⁴ Pursuant to 19 CFR 351.309(d)(2), rebuttal briefs must be limited to issues raised in the case briefs.¹⁵ Parties who submit arguments are requested to submit with the

¹⁴ See 19 CFR 224(b).

¹⁵ See 19 CFR 351.309(c)(1)(ii) and (d)(1); see also *Temporary Rule Modifying AD/CVD Service Requirements Due to COVID–19; Extension of Effective Period*, 85 FR 41363 (July 10, 2020) (*Temporary Rule*).

argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁶ Note that Commerce has modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁷

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice.¹⁸ Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Issues addressed during the hearing will be limited to those raised in the briefs.¹⁹ If a request for a hearing is made, Commerce will inform parties of the scheduled date of the hearing.²⁰ Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Parties are reminded that all briefs and hearing requests are to be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, Commerce intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after publication of these preliminary results.

Notification to Interested Parties

This administrative review and notice are in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213 and 351.221(b)(4).

Dated: April 27, 2023.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

Circular Welded Carbon-Quality Steel Pipe From the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2020–2021

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) determines that the producers/exporters subject to this administrative review made sales of subject merchandise at prices less than normal value during the period of review (POR), December 1, 2020, through November 30, 2021.

DATES: Applicable May 4, 2023.

FOR FURTHER INFORMATION CONTACT: Benjamin A. Luberda or Alice Maldonado, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2185 or (202) 482–4682, respectively.

SUPPLEMENTARY INFORMATION:

Background

This review covers five producers/exporters of the subject merchandise.

Commerce selected two mandatory respondents for individual examination: Ajmal Steel Tubes & Pipes Ind. L.L.C./Ajmal Steel Tubes & Pipes Ind. L.L.C.-Branch-1 (collectively, Ajmal)¹ and Universal Tube and Plastic Industries, Ltd./THL Tube and Pipe Industries LLC/KHK Scaffolding and Formwork LLC (collectively, Universal).² The producers/exporters not selected for individual examination are Conares Metal Supply Limited, TSI Metal Industries L.L.C.,³ and K.D. Industries Inc.

On December 28, 2022, Commerce published the *Preliminary Results*.⁴ A summary of the events that occurred since Commerce published the

¹ We collapsed Ajmal Steel Tubes & Pipes Ind. L.L.C. and Noble Steel Industries L.L.C. (Noble Steel) together in the final results of the 2016–2017 administrative review. See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2016–2017*, 84 FR 44845 (August 27, 2019) (CWP from the UAE 2016–2017 Final Results). Because there is no information on the record of this administrative review that would lead us to revisit this determination, we continue to treat these companies as part of a single entity for the purposes of this administrative review. In the final results of the 2019–2020 administrative review, we found that Ajmal Steel Tubes & Pipes Ind., L.L.C.-Branch-1 is the successor-in-interest to Noble Steel. See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Results of Antidumping Duty Administrative Review; 2019–2020*, 87 FR 41111 (July 11, 2022) (CWP from the UAE 2019–2020 Final Results).

² Commerce previously determined that Universal is a single entity consisting of the following three producers/exporters of subject merchandise: Universal Tube and Plastic Industries, Ltd.; KHK Scaffolding and Formwork LLC; and Universal Tube and Pipe Industries LLC (UTP). See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Affirmative Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 81 FR 36882 (June 8, 2016), and accompanying Preliminary Decision Memorandum (PDM), unchanged in *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Final Determination of Sales at Less Than Fair Value*, 81 FR 75030 (October 28, 2016), and accompanying Issues and Decision Memorandum. Because there is no information on the record of this administrative review that would lead us to revisit this determination, we are continuing to treat these companies as part of a single entity for the purposes of this administrative review. Additionally, we previously determined that THL Tube and Pipe Industries LLC is the successor-in-interest to UTP. See CWP from the UAE 2016–2017 Final Results.

³ In the final results of the 2019–2020 administrative review, we found that TSI Metal Industries L.L.C. is the successor-in-interest to Tiger Steel Industries L.L.C. See CWP from the UAE 2019–2020 Final Results.

⁴ See *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Preliminary Results of Antidumping Duty Administrative Review; 2020–2021*, 87 FR 79862 (December 28, 2022) (Preliminary Results), and accompanying PDM, corrected by the **Federal Register** in *Circular Welded Carbon-Quality Steel Pipe from the United Arab Emirates: Preliminary Results of Antidumping Duty Administrative Review; 2020–2021*, 88 FR 7404 (February 3, 2023).
