

Scoping Process

This project was previously scoped for the preparation of the 2005 EA. The issues identified in scoping for the EA will be brought forward for effects disclosure in the EIS. In addition, response to comments submitted on the EA may be found at Appendix D to the Decision Notice (available at <http://www.fs.fed.us/r9/forests/superior/projects/sf.php>). Your comments on scoping this EJS will be most useful if they contain new information or issues on the scope of this project that were not submitted in previous comments on this project.

The scoping process will include: (1) Identification of potential issues; (2) identification of issues to be analyzed in depth; and (3) elimination of insignificant issues, or those which have been covered by a previous environmental review. Based on the results of scoping and the resource capabilities within the project area, alternatives, including a no-action alternative, will be developed for the draft environmental impact statement.

A Draft Environmental Impact Statement will be prepared for comment. The comment period on the Draft Environmental Impact Statement will be 45 days from the date the Environmental Protection Agency publishes the notice of availability in the **Federal Register**. It is important that reviewers provide their comments on the Draft Environmental Impact Statement at such times and in such manner that they are useful to the agency's preparation of the Environmental Impact Statement. Therefore, comments should be provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions. The submission of timely and specific comments can affect a reviewer's ability to participate in subsequent administrative appeal or judicial review.

Comments received in response to this solicitation, including names and addresses of those who comment, will be part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the respondent with standing to participate in subsequent administrative review or judicial review.

Wooden Bedroom Furniture from the People's Republic of China: Initiation of Antidumping Duty New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 26, 2009.

SUMMARY: The Department of Commerce (Department) has determined that two timely requests for new shipper reviews of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (PRC) meet the statutory and regulatory requirements for initiation. For one of the two new shipper reviews that the Department is initiating, the period of review (POR) is January 1, 2009, through June 30, 2009. For the other new shipper review where the shipment entered after the period January 1, 2009, through June 30, 2009, the Department is initiating and extending the POR by thirty days, pursuant to 19 CFR 351.214(f)(2)(ii). The POR for this new shipper review is January 1, 2009, through July 30, 2009.

FOR FURTHER INFORMATION CONTACT: Howard Smith or Drew Jackson, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5193 or (202) 482-4406, respectively.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on wooden bedroom furniture from the PRC was published on January 4, 2005. *See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture from the People's Republic of China*, 70 FR 329 (January 4, 2005). On July 31, 2009, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c), the Department received timely requests for new shipper reviews from Rise Furniture Co., Ltd. (Rise Furniture), and Zhejiang Tianyi Scientific & Educational Equipment Co., Ltd. (Zhejiang Tianyi). Rise Furniture and Zhejiang Tianyi certified that they are each the producer and exporter of the subject merchandise

upon which their respective request for a new shipper review was based.

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Rise Furniture and Zhejiang Tianyi certified that they did not export wooden bedroom furniture to the United States during the period of investigation (POI). In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Rise Furniture and Zhejiang Tianyi certified that, since the initiation of the investigation, they have never been affiliated with any PRC exporter or producer who exported wooden bedroom furniture to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Rise Furniture and Zhejiang Tianyi, also certified that their export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), Rise Furniture and Zhejiang Tianyi submitted documentation establishing the following: (1) the date on which Rise Furniture and Zhejiang Tianyi first shipped wooden bedroom furniture for export to the United States and the date on which the wooden bedroom furniture was first entered, or withdrawn from warehouse, for consumption;¹ (2) the volume of their first shipment;² and (3) the date of their first sale to an unaffiliated customer in the United States.

The Department conducted U.S. Customs and Border Protection (CBP) database queries and confirmed that Rise Furniture's and Zhejiang Tianyi's shipments of subject merchandise had entered the United States for consumption and that liquidation of such entries had been properly suspended for antidumping duties. The Department also confirmed by examining the CBP data that Zhejiang Tianyi's entry was made during the POR specified by the Department's regulations.

When the sale of the subject merchandise occurs within the POR specified by the Department's regulations but the entry occurs after the

¹ Rise Furniture reported that its shipment of subject merchandise entered during the POR for this new shipper review (*i.e.*, prior to July 1, 2009); however, the results of the Department's query of CBP data indicate that the shipment entered shortly after the end of the POR. *See* Memorandum to the File through Abdelali Elouaradia, Director, AD/CVD Operations, Office 4: New Shipper Review of Wooden Bedroom Furniture, Placing CBP data on the record, dated concurrently with this notice.

² Rise Furniture and Zhejiang Tianyi made no subsequent shipments to the United States.
