SUPPLEMENTARY INFORMATION:

Title: Notice of Funds Availability—Community Outreach and Assistance Partnership Program.

OMB Number: 0563-0066.

Type of Request: Extension and revision of a currently approved information collection.

Abstract: The Federal Crop Insurance Corporation administers cooperative agreements that will be used to provide outreach and assistance to under-served

agricultural producers such as women, limited resource, socially disadvantaged and other traditionally under-served farmers and ranchers (under-served agricultural producers). This package will be combined with another currently approved package 0563-0067 entitled, Risk Management and Crop Insurance Education; Risk for Applications when the package comes up for renewal in July 2012. With this submission, RMA seeks to obtain OMB's approval for an information collection project that will assist RMA in operating and evaluating these programs. The primary objective of the information collection projects is to enable RMA to better evaluate the performance capacity and plans of organizations that are applying for funds for cooperative agreements for the Community Outreach and Assistance Partnership Program.

This information collection package will be used for evaluating applications and awarding partnership agreements; applicants are required to submit materials and information necessary to evaluate and rate the merit of proposed projects and evaluate the capacity and qualification of the organization to complete the project

Estimate of Burden: The public reporting burden for this collection of information is estimated to average 6 hours per response per application.

Respondents/Affected Entities: Education institutions, community based and cooperative organizations, and non-profit organizations.

Estimated annual number of respondents: 150.

Estimated annual number of responses per respondent: 1.

Estimated annual number of responses: 150.

Estimated total annual burden on respondents: 900 hours.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, or other collection technologies, e.g., permitting electronic submission of responses.

Signed in Washington, DC, on August 23, 2011.

Barbara Leach,

Associate Administrator, Federal Crop Insurance Corporation.
