## DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-7106-N-06]

### Privacy Act of 1974; System of Records

**AGENCY:** Office of Chief Human Capital Officer, Housing and Urban Development.

**ACTION:** Notice of a modified system of records.

**SUMMARY:** Pursuant to the provisions of the Privacy Act of 1974, as amended, the Department of the Housing and Urban Development (HUD), Office of the Chief Human Capital Officer (OCHCO) is issuing a public notice of its intent to modify the Privacy Act system of records titled "Student Loan Repayment Program."

**SUPPLEMENTARY INFORMATION:** The HUD Student Loan Repayment Program (SLRP) allows the Department to repay all or part of any outstanding federal student loan by submitting direct payments to the lender on behalf of the employee. The implementation of the new platform "Sharepoint Online" replaced the old legacy platform Sharepoint website. Sharepoint Online interfaces with multiple automated platforms: DocuSign and PowerForm Apps which enhances and streamlines the Student Loan Repayment Program's process. Through this interface, the SLRP transitioned to an automated method, allowing HUD to process, monitor, track, and report processing activities of approved student loans more accurately, and more efficiently; unlike the previously, manually handled process. With the use of DocuSign and PowerForm Apps, this also streamlines the process, accelerates responses to inquiries about application

status, and facilitates a seamless interaction for managers to communicate the status back to applicants. By enhancing the functionality of the SLRP, HUD continues to attract uniquely qualified candidates into mission-critical positions, as well as retain those highly qualified employees, already in those critical positions.

The proposed modification changes the following: the SORN number, updates the authority for the maintenance of the system, category of records, and supplementary information to add (1) How HUD has modified the current platform by which Student Loan application are managed; (2) How the new platform provides an automated functionality that improves the processing of Student Loan Repayment Program (SLRP) applications; and (3) How more efficient and effective the program is through the interfaces of DocuSign and PowerForm Apps. The change in authorities is a technical correction to the legal citation. The previous authority amended a different underlying statute found at 5 U.S.C. 5379, however; since the amendment was technical in nature the current authority cites the underlying statute which created 5 U.S.C. 5379, initially. There are no other changes to the system of records.
