Nonimmigrant aliens subject to special registration may not make final registration and depart the United States through any location not listed above.

#### **Notice of Where To Report for Final Registration and Departure**

Upon admission to the United States, each nonimmigrant alien subject to special registration will be issued an information packet that will list each designated port of departure and other instructions on how to comply with 8 CFR 264.1. This packet will also contain specific information regarding hours of operation, directions, and contact numbers.

The list of ports-of-entry through which nonimmigrant aliens subject to special registration must make final registration and depart will become effective on October 1, 2002. Due to the critical and immediate national security concerns of this program the Service

must limit the ports-of-departure to effectively capture departure data, given the limited availability of current resources, specifically departure staff and facilities. As the available ports-of-entry are expanded, the Service will publish subsequent notices in the **Federal Register** and make the list available at Service Offices and on its Web site at <http://www.ins.usdoj.gov>.
