SUPPLEMENTARY INFORMATION:

Title: Health Surveillance for a New Generation of U.S. Veterans Survey.

OMB Control Number: OMB Control No. 2900–0722.

Type of Review: Extension of a currently approved collection.

Abstract: The Health Surveillance for a New Generation of U.S. Veterans survey will be used to collect data from Operation Iraqi Freedom and Operation Enduring Freedom veterans regarding their current health status and concerns, exposures of concern in the theater, health care preferences, and health behaviors and attitudes, and to gain knowledge on veterans who have not used VA health care since returning from the current conflict. The data collected will help VA to plan and provide better health care to Operation Iraqi Freedom and Operation Enduring Freedom veterans, as well as understanding the long-term consequences of military deployment.
