

other opposition on the transportation merits of the Lease, as well as CSXT's rebuttal in support of the application, must be filed by February 1, 2019. The Board reserves the right to adjust the schedule as circumstances may warrant. For further information regarding dates, see the procedural schedule below.

Notice of Intent To Participate. Any person who wishes to participate in this proceeding as a POR must file with the Board, no later than December 5, 2018, a notice of intent to participate, accompanied by a certificate of service indicating that the notice has been properly served on the U.S. Secretary of Transportation, the Attorney General of the United States, and Mr. Gitomer (representing CSXT), as described above.

If a request is made in the notice of intent to participate to have more than one name added to the service list as a POR representing a particular entity, the extra name will be added to the service list as a "non-party." The list will reflect the Board's policy of allowing only one official representative per party to be placed on the service list, as specified in Press Release No. 97-68 dated August 18, 1997, announcing the

implementation of the Board's "One Party-One Representative" policy for service lists. Any person designated as a non-party will receive copies of Board decisions, orders, and notices but not copies of official filings. Persons seeking to change their status must accompany that request with a written certification that he or she has complied with the service requirements set forth at 49 CFR 1180.4, and any other requirements set forth in this decision.

Service List Notice. The Board will serve, as soon after December 5, 2018, as practicable, a notice containing the official service list (the service list notice). Each POR will be required to serve upon all other PORs, within 10 days of the service date of the service list notices, copies of all filings previously submitted by that party (to the extent such filings have not previously been served upon such other parties). Each POR will also be required to file with the Board, within 10 days of the service date of the service list notice, a certificate of service indicating that the service required by the preceding sentence has been accomplished. Every filing made by a POR must have its own certificate of service indicating that all

PORs on the service list have been served with a copy of the filing. Members of the United States Congress (MOCs) and Governors (GOVs) are not parties of record and need not be served with copies of filings, unless any MOC or GOV has requested to be, and is designated, as a POR.

Service of Decisions, Order, and Notices. The Board will serve copies of its decisions, orders, and notices on those persons who are designated on the official service list as either POR, MOC, GOV, or non-party. All other interested persons are encouraged to secure copies of decisions, orders, and notices via the Board's website at www.stb.gov under "E-LIBRARY/Decisions & Notices."

Access to Filings. Under the Board's rules, any document filed with the Board (including applications, pleadings, etc.) shall be promptly furnished to interested persons on request, unless subject to a protective order. 49 CFR 1180.4(a)(3). The application and other filings in this proceeding are available on the Board's website at www.stb.gov under "E-LIBRARY/Filings." In addition, the application may be obtained from Mr. Gitomer at the address indicated above.

KET, LLC—Operation Exemption—Lines of Railroad in Benton County, Wash.

KET, LLC (KET), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to operate two industrial spurs¹ totaling approximately 1.28 miles of track in Kennewick and Hedges, Benton County, Wash.:

(1) The Kennewick track includes the following: A main industrial spur in the City of Kennewick originating at the connection with the Union Pacific Railroad Company (UP) "City Lead"

¹ KET states that it acquired the industrial spurs from the Port of Kennewick, Washington on July 23, 2013. According to KET, the industrial spurs will have no mileposts.

(connecting at its west end to UP's Kalan Industrial Lead) from the east edge of Washington St., running along the line of Bruneau Ave. extending in an easterly direction and terminating east of the intersection of Bruneau Ave. and Kingwood St. This main industrial rail spur also connects with BNSF Railway Company (BNSF) along Bruneau Ave. west of the intersection with N Elm St. The main industrial rail spur is 3,694 feet (approximately 0.7 miles) in length. A branch spur (Ash Grove Spur) diverges from the main industrial rail spur along the line extending east on Bruneau Ave., east of its intersection with N. Gum St. and proceeding in a northeasterly direction, terminating on the property of the Ash Grove Cement Co. at 633 N Ivy Street in Kennewick. The branch spur is 1,476 feet (approximately 0.28 miles) in length.

The total length of the Kennewick track is 5,170 feet (0.98 miles).

(2) The Hedges track originates at the connection with UP and runs southeast to the property line of Nutrien Chemical Company, a distance of approximately 1,600 feet (0.30 miles).

This transaction is related to a concurrently filed verified notice of exemption in *Paul Didelius—Continuance in Control Exemption—KET, LLC*, Docket No. FD 36245, in which Paul Didelius seeks Board approval to continue in control of KET under 49 CFR 1180.2(d)(2) upon KET's becoming a Class III rail carrier.

KET certifies that the projected annual revenues as a result of this transaction will remain less than \$5 million dollars annually. KET states that no interchange commitments are contemplated for this transaction.

The transaction may be consummated on or after December 5, 2018, the effective date of the exemption (30 days after the verified notice of exemption was filed). If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 CFR 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed by November 28, 2018 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings referring to Docket No. FD 36244 must be filed with the Surface Transportation Board, 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on applicant's representative, James H.M. Savage, 22 Rockingham Court, Germantown, MD 20874.
