**Time Limits***Statutory Time Limits*

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department of Commerce (the Department) to make a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

*Background*

On November 7, 2000, the Department published in the **Federal Register** the preliminary results of the 1999-2000 administrative reviews of the antidumping duty orders on heavy forged hand tools from the People's Republic of China. *See Heavy Forged Hand Tools, Finished or Unfinished, With or Without Handles, From the People's Republic of China; Preliminary Results and Preliminary Partial Recision of Antidumping Duty Administrative Reviews and Notice of Intent Not to Revoke in Part* (65, FR 66691). The Department did not extend the time limit for the preliminary results of these reviews.

*Extension of Time Limit for Final Results of Reviews*

We determine that it is not practicable to complete the final results of these

reviews within the original time limit. Therefore the Department is extending the time limit for completion of the final results until no later than September 3, 2001. *See* Decision Memorandum from Thomas F. Futtner to Holly A. Kuga, dated concurrently with this notice, which is on file in the Central Records Unit, Room B-099 of the main Commerce building.

This extension is in accordance with section 751(a)(3)(A) of the Act.
