*Needs and Uses:* The proposed information collection activity provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with the Administration's commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative and actionable communications between the Agency and its customers and stakeholders. It will also allow feedback to contribute directly to the improvement of program management.

Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public. If this information is not collected, vital feedback from customers and stakeholders on the Agency's services will be unavailable.

**SUPPLEMENTARY INFORMATION:**

*Title, Associated Form and OMB*

*Number:* Supplier Self-Services (SUS); OMB Control Number 0702-TBD.

*Type of Request:* New Collection

*Number of Respondents:* 1867

*Responses per Respondent:* 12

*Annual Responses:* 22,404

*Average Burden per Response:* 6 minutes

*Annual Burden Hours:* 2240

*Needs and Uses:* The information collection requirement via SUS is necessary to reduce the amount and complexity of required input by vendors that manually enter invoice data into Wide Area Workflow (WAWF) (not those utilizing Electronic Data Interchange (EDI)). By pre-populating fields with accurate and up-to-date contract information, vendors are required to input significantly less data. Additionally, SUS simultaneously performs a front-end validation of submitted data, thus ensuring less manual intervention and fewer interest penalties incurred by the government.

*Affected Public:* Businesses (Federal Vendors)

*Frequency:* On occasion.

*Respondent's Obligation:* Required to Obtain or Retain Benefits

*OMB Desk Officer:* Ms. Jasmeet Seehra.

Written comments and recommendations on the proposed information collection should be sent to Ms. Jasmeet Seehra at the Office of Management and Budget, Desk Officer
