

Bolling to Edward Yang dated February 21, 2001, a public version of which is available in the Central Records Unit, Room B-099 of the Department of Commerce Building, 14th Street and Constitution Ave, NW., Washington, DC.

Amended Final Results of New Shipper Review

As a result of our review and the correction of the ministerial error described above, we have determined that the following margin exists:

GLYCINE

Producer/manufacturer/exporter	Weighted-average margin (percent)
Nantong Dongchang Chemical Industry Corp	18.60

The Department shall determine, and the U.S. Customs Service ("Customs") shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated exporter/importer-specific assessment rates. We divided the total dumping margins for the reviewed sales by the total entered value of those reviewed sales for each importer. We will direct Customs to assess the resulting percentage margin against the entered Customs values for the subject merchandise on each of that importer's entries under the relevant order during the review period.

Furthermore, the following deposit requirements will be effective, upon publication of this notice of amended final results of the new shipper review for all shipments of glycine from the People's Republic of China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(1) of the Act: (1) The cash deposit rate for the reviewed company will be the rate shown above; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding but for whom a review was not requested for this POR will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the PRC NME entity (i.e., all other exporters, which have not been reviewed) will continue to be 155.89 percent; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC supplier of that exporter.

These deposit requirements shall remain in effect until publication of the

final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and in the subsequent assessment of doubled antidumping duties.

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305 or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanctions.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act. Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of the Assistant Secretary for Import Administration.

Dated: February 26, 2001.

Bernard T. Carreau,
Deputy Assistant Secretary, Import Administration.

Spetrini, Deputy Assistant Secretary, Import Administration, to Bernard T. Carreau, fulfilling the duties of Assistant Secretary for Import Administration, dated February 8, 2001, which is hereby adopted by this notice. A list of the issues which parties have raised and to which we have responded, all of which are in the Decision Memo, is attached to this notice as an Appendix. The paper copy and electronic version of the Decision Memo are identical in content.

Changes Since the Preliminary Results

We have not made any changes to the preliminary margins, which were based on adverse facts available.

Final Results of Review

We determine that the following percentage margins exist for the period August 1, 1998 through July 31, 1999:

Manufacturer/exporter	Margin (percent)
Hallmark Tubulars Ltd	44.20
Itochu Corp	44.20
Itochu Project Management Corp	44.20
Nippon Steel Corp	44.20

The Department shall determine, and Customs shall assess, antidumping duties on all appropriate entries.

In addition, the following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of OCTG from Japan entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates shown above except that, for firms whose weighted-average margins are less than 0.5 percent and therefore *de minimis*, the Department shall require no deposit of estimated antidumping duties; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 44.20 percent. This rate is the "All Others" rate from the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.
