

The CSAT GBHI Client Interview—Baseline and the CSAT GBHI Client Interview—6-Month Follow-up have been developed to assess program impact on client outcomes based on review of the literature and consultation with a panel of national experts, GBHI grantees and SAMHSA. The CSAT GBHI Client Interview is composed of questions unique from the Government Performance and Results Act (GPRA) Tool that measure the outcomes of interest and subpopulations of focus: homelessness, housing, treatment history, readiness to change, trauma symptoms, housing and treatment choice, burden and satisfaction, military service, employment, and criminal justice involvement. Immediately following the SAMHSA-required administration of the GPRA CSAT Discretionary Services Client Level

Tool, which is completed by enrolled accepted clients for each grantee project at baseline and 6-month follow-up, the paper and pencil CSAT GBHI Client Interview will be administered face-to-face by the GPRA interviewer. Questions regarding perception of care and treatment coercion will be self-administered by participating clients and returned to the interviewer in a sealed envelope to be included in the full package mailed to the cross-site evaluation coordinating center by the interviewer. Client participation is voluntary; non-cash incentives will be given at baseline worth a \$10 value and at 6-month follow-up worth a \$25 value. Clients will be assigned unique identifiers by local projects; responses will be recorded on a fill-in-the-bubble answer sheet, mailed by the grantee project to the cross-site evaluation

coordinating center, and scanned into a secure dataset. This process will eliminate the need for data entry, reduce cost and data entry error, and ensure confidentiality for cross-site data.

The CSAT GBHI Stakeholder Survey will be conducted with GBHI program stakeholders via a web survey to assess the types of stakeholder partnerships involved in the GBHI program and the barriers and strategies developed to overcome barriers to facilitate the implementation and sustainability of project activities under the GBHI program. Each survey respondent will be issued a username and password to login to and complete the secure web-based survey. The web-based survey format will reduce burden on the respondent and minimize potential for measurement error.

Title of Proposal: Family Unification Program (FUP).

OMB Control Number: 2577-0259.

Description of the Need for the Information and Proposed Use: The Family Unification Program (FUP) is a program, authorized under section 8(x) of the United States Housing Act of 1937 {42 U.S.C. 1437(X)}, that provides housing choice vouchers to PHAs to assist families for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child, or children, in out-of-home care; or the delay in the discharge of the child, or children, to the family from out-of-home care. Youths at least 18 years old and not more than 21 years old (have not reached 22nd birthday) who left foster care at age 16 or older and who do not have adequate housing are also eligible to receive housing assistance under the FUP. As required by statute, a FUP voucher issued to such a youth may only be used to provide housing assistance for the youth for a maximum of 18 months.

Vouchers awarded under FUP are administered by PHAs under HUD's regulations for the Housing Choice Voucher program (24 CFR Part 982).

Agency Form Numbers: HUD-52515 (OMB Approval # 2577-0169), HUD 50058 (OMB approval # 2577-0083), HUD-2993 (OMB Approval # 2577-0259), HUD-96010 (OMB Approval # 2535-0114), HUD 96011 (OMB approval # 2535-0118), HUD-2990, HUD-2991 (OMB Approval # 2506-0112) and HUD 2880 (OMB Approval # 2510-0011), SF-424 (OMB Approval # 0348-0043), SF LLL (OMB Approval # 0348-0043).

Members of the Affected Public: Public Housing Agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: The total burden for data collection is estimated at 6,101.95 hours. It is anticipated that

approximately 265 PHAs will apply for FUP vouchers each year the program is funded. The estimate of the total annual cost burden to respondents/record keepers resulting from the collection of this information is: 6,101.95 burden hours \times \$34.34 = \$209,540.96; assuming a Manager's hourly rate at the GS-13/ Step 1 level.

*Burden hours for forms showing zero burden hours in this collection are reflected in the OMB approval number cited or do not have a reportable burden. The burden hours for this collection is 6,101.95.

Status of the Proposed Information Collection: Revision of a currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.
