SUPPLEMENTARY INFORMATION: This solicitation is issued pursuant to Section 6 of the Farmer-to-Consumer Direct Marketing Act of 1976 (7 U.S.C. 3001-3006) as amended by Section 10605 of the Farm Security and Rural Investment Act of 2002 (Pub. L. 107-171) (the Acts) authorizing the establishment of the Farmers' Market Promotion Program (7 U.S.C. 3005) (FMPP). The Food, Conservation, and Energy Act of 2008 (Pub. L. 110-246) also made a number of changes to the FMPP and provided the available funding. The amended act states that the purposes of the FMPP are "(A) to increase domestic consumption of agricultural commodities by improving and expanding, or assisting in the improvement and expansion of, domestic farmers' markets, roadside stands, community-supported agriculture programs, agri-tourism activities and other direct producer-to-consumer market opportunities; and (B) to develop, or aid in the development of, new farmers' markets, roadside stands, community-supported agriculture programs, agri-tourism activities, and other direct producer-to-consumer marketing opportunities."

Detailed program guidelines may be obtained at <http://www.ams.usda.gov/FMPP> or from the contact listed above. In accordance with the Secretary's Statement of Policy (36 FR 13804), it is found and determined upon good cause that it is impracticable, unnecessary, and contrary to the public interest to engage in further public participation under 5 U.S.C 553 because the applications for the FMPP need to be made available as soon as possible as the program season approaches.

Background

AMS will grant awards for projects that continue developing, promoting, and expanding direct marketing of agricultural commodities from farmers to consumers. Eligible FMPP proposals should support marketing entities where agricultural farmers or vendors sell their own products directly to consumers, and the sales of these farm products should represent the core business of the entity.

All eligible entities shall be domestic entities, *i.e.*, those owned, operated, and located within one or more of the 50 United States and the District of Columbia only. Entities located within U.S. territories are not eligible.

Additionally, under this program eligible entities must apply for FMPP

funds on behalf of direct marketing operators that include two or more agricultural farmers/vendors that produce and sell their own products through a common distribution channel. For example, a sole proprietor of a roadside farm market would not be eligible for this program. Individual agricultural producers, including farmers and farmers' market vendors, roadside stand operators, community-supported agriculture participants, and other individual direct marketers are not eligible for FMPP funds.

All electronic benefits transfers (EBT) will be considered for FMPP funding. Not less than 10 percent of the total available funds will be used to support the use of electronic benefits transfers (EBT) for Federal nutrition programs at farmers' markets. Additionally, these new EBT projects must demonstrate a plan to continue to provide EBT card access at one (1) or more farmers' markets following the receipt of the FMPP grant. To be included in this allotment of funds the application narrative must designate the applicant's competition for FMPP as a new EBT project. See the FMPP Guidelines at <http://www.ams.usda.gov/FMPP> for more information.

FMPP funds exclude existing routine operational expenses such as management salaries or other salaries associated with normal operation of existing farmers markets/marketing entities, utility bills, and insurance premiums. In addition, funds shall be provided to eligible entities that demonstrate a plan to continue to provide EBT card access at one (1) or more farmers' markets following the receipt of the grant.

FMPP grant funds must be applied to the specific programs and objectives identified in the application. Proprietary projects and projects that benefit one agricultural producer or individual will not be considered.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the FMPP information collection is currently approved by OMB and were assigned OMB control number 0581-0235.

AMS is committed to complying with the e-Government Act, which requires Government agencies, in general, to provide the public the option of submitting information or transacting business electronically to the maximum extent possible.

How to Submit Proposals and Applications

Each applicant must follow the application preparation and submission instructions provided within the FMPP Guidelines at <http://www.ams.usda.gov/FMPP>. Electronic forms, proposals, letters of support, or any other application materials e-mailed directly to AMS-FMPP or USDA-AMS staff will not be accepted.

Following are the options available for submitting proposals and applications to AMS:

Paper Submissions—For paper submissions, an original and one copy of the proposal, required forms, narrative, letters of support, and all required materials must be submitted in one package, preferably via express mail.

Electronic Submissions via Grants.gov—Applicants may apply electronically for grants through Grants.gov at <http://www.Grants.gov> (insert 10.168 in grant search) and are strongly encouraged to initiate the electronic submission process at least two weeks prior to application deadline. Grants.gov applicants who submit their FMPP proposals via the Federal grants Web site are not required to submit any paper documents to FMPP.

FMPP is listed in the "Catalog of Federal Domestic Assistance" under number 10.168 and subject agencies must adhere to Title VI of the Civil Rights Act of 1964, which bars discrimination in all Federally assisted programs.

In developing this program, the Secretary is required to establish a NOSB. The purpose of the NOSB is to assist in the development of a proposed National List of Allowed and Prohibited Substances and to advise the Secretary on other aspects of the National Organic Program.

The NOSB made recommendations to the Secretary regarding establishment of the initial organic program. Equal opportunity practices will be followed in all appointments to the NOSB in accordance with USDA policies. To ensure that the members of the NOSB take into account the needs of the diverse groups that are served by the Department, membership on the NOSB will include, to the extent practicable, individuals who demonstrate the ability to represent minorities, women, and persons with disabilities.

The information collection requirements concerning the nomination process have been previously cleared by the Office of Management and Budget (OMB) under OMB Control No. 0505-0001.
