

meeting will be held at the Herbert C. Hoover Building, 14th Street between Constitution and Pennsylvania Avenues, NW., Room 4830, Washington, DC.

FOR FURTHER INFORMATION CONTACT: For further information, please contact Ronald DeMarines at BIS on (202) 482-3755 or (202) 482-4506.

SUPPLEMENTARY INFORMATION: On December 23, 2009, BIS published a Final Rule in the **Federal Register** that updates and provides clarification with regard to the information U.S. firms are required to submit each year to BIS to support BIS's preparation of its annual report to Congress on offsets in defense trade. As set forth in the December 23, 2009 rule, the revised amendments will provide more consistency and less ambiguity in defining the scope of the offset-related activities that respondents report to BIS. Further, the rule responded to a recommendation made by the Government Accountability Office to BIS regarding the collection of more precise information on the industry sectors in which offset activity occurs. The full text of the rule is available at 74 FR 68136. In order to provide more information on the changes to the offset-related reporting requirement, BIS will hold a meeting on February 3, 2010. This meeting is open to the public. In order to prepare for those who plan to attend the meeting, please submit your name and company or organizational affiliation to BIS via fax or phone number provided in the **ADDRESSES** section.

Dated: January 19, 2010.

Karen H. Nies-Vogel,

Acting Director, Office of Strategic Industry and Economic Security.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed actions.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice for each product and service will be required to provide the product and service listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will provide a product and a service to the Government.
2. If approved, the action will result in authorizing small entities to provide a product and a service to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with a product and a service proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.
