

operative prior to 30 days after the date of filing.¹⁴ However, Rule 19b–4(f)(6)(iii)¹⁵ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has satisfied the five-day pre-filing requirement.¹⁶ In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay and designate the proposed rule change to become operative upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange to immediately implement this proposal and thus the Exchange would not need to rely on factors that no longer provide significant objective measures of specialists' performance in the Hybrid Market. The Commission notes that the Exchange expects to file a proposed rule change under Section 19(b) of the Act¹⁷ by August 1, 2007, which would amend Exchange rules that govern the allocation of securities to specialist firms and other related rules. The Commission designates the proposal to become effective and operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.

IV. Solicitation of Comments

Dated: May 21, 2007.

Manuel J. Vaz,

Acting Deputy Commissioner for Disability and Income Security Programs.

Notice of a Renewed Computer Matching Program, Social Security Administration (SSA) With the Department of Homeland Security (DHS).

A. Participating Agencies

SSA and DHS.

B. Purpose of the Matching Program

The purpose of this matching program is to establish conditions under which DHS agrees to the disclosure of information regarding certain aliens who may, as a result of their current or planned absences from the United States, be subject to nonpayment of benefits in programs administered by SSA. The disclosure will provide SSA with information useful in determining claim and benefit status under both title II and title XVI of the Social Security Act, governing Social Security Retirement, Survivors and Disability Insurance Benefits, and Supplemental Security Income, in that certain persons who are outside the United States, or similarly lack appropriate statutorily specified residency and citizenship/alienage status, may not be paid benefits under specific statutory provisions of those titles. Public Law (Pub. L.) No. 108–203 (The Social Security Protection Act of 2004), section 412, expands section 202(n) of the Social Security Act to prohibit payment of retirement or disability benefits to number holders removed from the United States under section 237(a) or under section 212(a)(6)(A) of the Immigration and Nationality Act of 1952 (INA), as amended.

C. Authority for Conducting the Matching Program

Legal authority for the relevant disclosures of this matching operation is contained in sections 202(n) of the Social Security Act, as amended by section 412 of Pub. L. 108–203, 1611(f), and 1614(a)(1) of the Social Security Act (42 U.S.C. 402(n) 1382(f) and 1382c(a)(1) (the Act) and 8 U.S.C. 1611

and 1612). Section 1631(e) (1) (B) of the Act, 42 U.S.C. 1383(e) (1) (B) requires SSA to verify declarations of applicants for, and recipients of, Supplemental Security Income (SSI) payments before making a determination of eligibility or payment amount. Section 1631(f) of the Act (42 U.S.C. 1383(f)) requires Federal agencies to provide SSA with information necessary to verify SSI eligibility or benefit amounts or to verify other information related to these determinations. In addition, section 202(n)(2) of the Act specifies that the “Attorney General or the Secretary of the [Department of Homeland Security]” notify the Commissioner of Social Security when certain individuals are removed under specified provisions of section 237(a) or under section 212(a)(6)(A) of the Immigration and Nationality Act (INA).

D. Categories of Records and Individuals Covered by the Matching Agreement

DHS will disclose to SSA two data files as described below:

1. Aliens Who Leave the United States Voluntarily

DHS will provide SSA with an electronic file from its Computer Linked Application Information Management System (CLAIMS) (Justice/INS 013 system of records, most recently published at 62 FR 59734, dated 11/04/97, which is electronically formatted for transmission to SSA). CLAIMS contains information on resident aliens who are SSI recipients and who have left or plan to leave the United States for any period of 30 consecutive days. SSA will then match the DHS CLAIMS data with Social Security number (SSN) applicant and holder information, maintained in SSA's Master Files of Social Security Number (SSN) Holders and SSN Applications, SSA/OEEAS 60–0058 (most recently published at 65 FR 66279, dated 11/03/2000); and SSA's Supplemental Security Income Record (SSR) and Special Veterans Benefits (SVB) (most recently published at 66 FR 11079 SSA/OEEAS 60–0103, dated 02/21/2001).

2. Aliens Who Are Removed From the United States

DHS will also provide SSA with an electronic file containing information on removed number holders from its Deportable Alien Control System (DACs) (Justice/INS–012, full text published at 65 FR 46738, dated 07/31/2000, modified at 66 FR 66712, dated 01/22/2001). Electronically formatted for transmission to SSA, DACS is scheduled to be replaced by the Enforce

Removal Module (EREM). After such transition, EREM will be the system of records used in the match. SSA will then match the DHS EREM data with applicant and holder information maintained in SSA's Master Files of Social Security Number (SSN) Holders and SSN Applications SSA/OEES 60–0058, published at 65 FR 66279 (11/03/00), the Master Beneficiary Record SSA/OEEAS 60–0090, most recently published at 66 FR 11080, dated 02/21/2001); and the Supplemental Security Record.

E. Inclusive Dates of the Match

The matching program will become effective no sooner than 40 days after notice of the matching program is sent to Congress and OMB, or 30 days after publication of this notice in the **Federal Register**, whichever date is later. The matching program will continue for 18 months from the effective date and may be extended for an additional 12 months thereafter, if certain conditions are met.
