Additional Information: The Department of Education requests Emergency Clearance for the information collection entitled Application for the Small, Rural School Achievement Program because a normal clearance is likely to cause a statutory deadline to be missed. The statute requires the Department to make direct grant awards to all eligible LEAs by July 1. With an estimated 4,500 awards to be made by July 1, the Department needs a considerable amount of time to inform potential applicants of the availability of funds and the award process, and to conduct the funding process.
