

program in order to adopt the federal CCR rule.

On April 28, 1998, U.S. EPA also promulgated a final rule to revise the definition of "Public Water System" found at 42 U.S.C. 300f(4)(A), 63 FR 23361-23368. The U.S. EPA has completed its review of Indiana's application to revise its PWSS primacy program to conform with the revised definition of "Public Water System."

The U.S. EPA has determined that the Indiana rules meet the requirements of the federal rules. Therefore, the U.S. EPA has determined that these State program revisions are no less stringent than the corresponding federal regulations, and is proposing to approve IDEM's rule revisions.

This proposed approval includes the entire adopted Indiana Consumer Confidence Report Rule and the Public Water System Definition.

All interested parties are invited to submit written comments on these proposed determinations, and may request a public hearing on or before October 29, 2001. If a public hearing is requested and granted, the corresponding determinations shall not become effective until such time following the hearing, at which the Regional Administrator issues an order affirming or rescinding this action.

Requests for public hearing should be addressed to: David Horak (WG-15J), U.S. Environmental Protection Agency, Region 5, 77 West Jackson Boulevard, Chicago, Illinois 60604-3590.

Any request for a public hearing shall include the following: (1) The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; (2) a brief statement of the requesting person's interest in the Regional Administrator's determinations and of information that the requesting person intends to submit at such hearing; and (3) the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

Notice of any hearing shall be given not less than fifteen (15) days prior to the time scheduled for the hearing. Such notice will be made by the Regional Administrator in the **Federal Register** and in newspapers of general circulation in the State of Indiana. A notice will be sent to the person(s) requesting the hearing as well as to the State of Indiana. The hearing notice will include a statement of purpose, information regarding the time and location, and the address and telephone number where interested persons may obtain further information. The Regional

Administrator will issue an order affirming or rescinding his determination upon review of the hearing record. Should the determination be affirmed, it will become effective as of the date of the order.

Should no timely and appropriate request for a hearing be received, and should the Regional Administrator not elect to hold a hearing on his own motion, these determinations shall become effective on October 29, 2001. Please bring this notice to the attention of any persons known by you to have an interest in these determinations.

All documents related to these determinations are available for inspection between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday, at the following offices:
Indiana Department of Environmental Management, Office of Water Quality, Drinking Water Branch, 100 N. Senate Avenue, P.O. Box 6015, Indianapolis, Indiana 46206-6015

FEDERAL EMERGENCY MANAGEMENT AGENCY

[FEMA-3169-EM]

New Jersey; Emergency and Related Determinations

AGENCY: Federal Emergency
Management Agency (FEMA).

ACTION: Notice.

SUMMARY: This is a notice of the Presidential declaration of an emergency for the State of New Jersey (FEMA-3169-EM), dated September 19, 2001, and related determinations.

EFFECTIVE DATE: September 19, 2001.

FOR FURTHER INFORMATION CONTACT: Madge Dale, Readiness, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-2705.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated September 19, 2001, the President declared an emergency under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5204c (the Stafford Act), as follows:

Pursuant to the request of the Acting Governor of the State of New Jersey, I hereby declare that an emergency within the meaning of Section 501 (a) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5204c (the Stafford Act), exists in the State of New Jersey.

I so declare based on the Acting Governor's finding that the conditions in New Jersey resulting from fires and explosions in the State of New York on September 11, 2001, are of such severity and magnitude that effective response requires Federal assistance. These events in New York have had a direct and significant impact on New Jersey, which has provided response services and emergency measures at an extraordinary level due to its immediate proximity to the disaster site in New York, as well as its joint responsibility, through the Port Authority of New York and New Jersey, for facilities such as bridges to New York City.

You are authorized to coordinate all disaster relief efforts that have the purpose of alleviating the hardship and suffering of the local population caused by the emergency and to provide appropriate assistance for required emergency measures, as authorized under Title V of the Stafford Act to save lives, protect property and public health and safety, or to lessen or avert the threat of a catastrophe in the designated areas. You are further authorized to identify, mobilize, and

provide at your discretion equipment and resources necessary to alleviate the impacts of the emergency and such other forms of assistance under Title V of the Stafford Act, as you may deem appropriate. Specifically, you are authorized to provide emergency protective measures (Category B) at 100 percent Federal funding. This assistance excludes regular time costs for subgrantees' regular employees.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Peter Martinasco of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared emergency.

I do hereby determine the following areas of the State of New Jersey to have been affected adversely by this declared emergency:

Emergency protective measures (Category B) under the Public Assistance program at 100 percent Federal funding for all 21 counties in the State of New Jersey.

(The following Catalog of Federal Domestic Assistance Numbers (CFDA) are to be used for reporting and drawing funds: 83.537, Community Disaster Loans; 83.538, Cora Brown Fund Program; 83.539, Crisis Counseling; 83.540, Disaster Legal Services Program; 83.541, Disaster Unemployment Assistance (DUA); 83.542, Fire Suppression Assistance; 83.543, Individual and Family Grant (IFG) Program; 83.544, Public Assistance Grants; 83.545, Disaster Housing Program; 83.548, Hazard Mitigation Grant Program.)

FEDERAL EMERGENCY MANAGEMENT AGENCY

[FEMA-1391-DR]

New York; Amendment No. 1 to Notice of a Major Disaster Declaration

AGENCY: Federal Emergency
Management Agency (FEMA).

ACTION: Notice.

SUMMARY: This notice amends the notice of a major disaster for the State of New York (FEMA-1391-DR), dated September 11, 2001, and related determinations.

EFFECTIVE DATE: September 18, 2001.

FOR FURTHER INFORMATION CONTACT:

Madge Dale, Readiness, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-2705.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated September 18, 2001, the President amended the cost-sharing arrangements concerning Federal funds provided under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 51521 *et seq.*), in a letter to Joe M. Allbaugh, Director of the Federal Emergency Management Agency, as follows:

I have determined that the damage in certain areas of the State of New York, resulting from fires and explosions on September 11, 2001, is of sufficient severity and magnitude that the provision of additional Federal assistance to ensure public health and safety is warranted under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5204c (the Stafford Act).

Therefore, I amend my major disaster declaration of September 11, 2001, to provide that the Federal Emergency Management Agency (FEMA) may reimburse 100 percent of total eligible costs for all Categories under Public Assistance. This adjustment of the cost share may be provided to all counties under the major disaster declaration.

Furthermore, because of the unique nature and magnitude of this event, the federal contribution for the Hazard Mitigation Grant Program is authorized for up to five percent of the estimated aggregate amount of grants (less any associated administrative costs). I believe that this amount will sufficiently address the mitigation needs of the State of New York.

Please notify the Governor of New York and the Federal Coordinating Officer of this amendment to my major disaster declaration.

(The following Catalog of Federal Domestic Assistance Numbers (CFDA) are to be used for reporting and drawing funds: 83.537, Community Disaster Loans; 83.538, Cora Brown Fund Program; 83.539, Crisis Counseling; 83.540, Disaster Legal Services Program; 83.541, Disaster Unemployment Assistance (DUA); 83.542, Fire Suppression Assistance; 83.543, Individual and Family Grant (IFG) Program; 83.544, Public Assistance Grants; 83.545, Disaster Housing Program; 83.548, Hazard Mitigation Grant Program.)

Director.
