

must feasibly attain most of the objectives of the proposed project while also avoiding or substantially lessening at least one of the significant environmental effects of the proposed project. As required by NEPA, the alternatives will be evaluated at the same level of detail as the proposed project. As a result of the scoping and agency consultation efforts conducted to date, the alternatives currently proposed for evaluation in the EIR/EIS include:

1. No Project/Action Alternative. This alternative, required by both CEQA and NEPA, would evaluate the environmental impacts if the proposed project were not constructed and existing operations on the project site were to continue.

2. Proposed Project. This alternative would evaluate the proposed project as described in the Project Description.

3. One or more other alternatives (to be identified). Alternative(s) will be based on input received during the scoping process and feasible project options that could minimize or avoid significant environmental effects. These alternatives may possibly include a reduced project alternative and/or an alternative site, and will be identified during the scoping process.

One of the purposes of the NOI is to solicit input from the public, agencies, Indian tribes, and interested organizations regarding potential alternatives to the proposed project. Therefore, the City welcomes comments during the public scoping process regarding these alternatives or suggestions for other alternatives to be examined in the EIR/EIS.

Probable Environmental Effects

The following subject areas will be analyzed in the combined EIS/EIR for probable environmental effects: Aesthetics (including light and glare); air quality; biological resources; climate change/greenhouse gases; cultural resources; geology and soils; paleontology; hazards and hazardous materials; hydrology and water quality; land use; noise and vibration; population, employment, and housing; public services; recreation; transportation and traffic; utilities and service systems; environmental justice; cumulative impacts; and growth-inducing impacts.

Lead Agency

For purposes of complying with NEPA and CEQA, the City of West Sacramento is the Lead Agency and as the Responsible Entity under 24 CFR 58.2(a)(7) assumes the responsibility for environmental review, decisionmaking, and action that would otherwise apply

to HUD under NEPA. Section 104(g) of Title I of the Housing and Community Development Act (42 U.S.C. 5304[g]) authorizes recipients of HUD assistance to assume NEPA responsibilities in projects involving CDBG for infrastructure development.

Questions may be directed to the individual named in this notice under the heading **FOR FURTHER INFORMATION CONTACT**.

Notice of Availability: Notice of Funding Availability (NOFA) for HUD's Fiscal Year 2010 Public and Indian Housing Family Self-Sufficiency Program Under the Resident Opportunity and Self-Sufficiency (ROSS) Program

AGENCY: Office of the Chief of the Human Capital Officer, HUD.

ACTION: Notice.

SUMMARY: HUD announces the availability on its Web site of the applicant information, submission deadlines, funding criteria, and other requirements for HUD's Fiscal Year (FY) 2010 Public and Indian Housing Family Self-Sufficiency Program under the Resident Opportunity and Self-Sufficiency (ROSS) Program (PH-FSS). The PH-FSS NOFA makes available approximately \$15 million under the Consolidated Appropriations Act 2010. The purpose of the PH-FSS program is to promote the development of local strategies to coordinate the use of assistance under the Public Housing program with public and private resources, enable participating families to increase earned income and financial literacy, reduce or eliminate the need for welfare assistance, and make progress toward achieving economic independence and housing self-sufficiency.

The notice providing information regarding the application process, funding criteria and eligibility requirements can be found using the Department of Housing and Urban Development agency link on the Grants.gov/Find Web site at <http://www.grants.gov/search/agency.do>. A link to Grants.gov is also available on

the HUD Web site at <http://www.hud.gov/offices/adm/grants/fundsavail.cfm>. The Catalogue of Federal Domestic Assistance (CFDA) number for PH-FSS program is 14.877. Applications must be submitted electronically through Grants.gov.

FOR FURTHER INFORMATION CONTACT:

Questions regarding specific program requirements should be directed to the agency contact identified in the program NOFA. Program staff will not be available to provide guidance on how to prepare the application. Questions regarding the 2010 General Section should be directed to the Office of Grants Management and Oversight at (202) 708-0667 or the NOFA Information Center at 800-HUD-8929 (toll free).
