SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96791; File No. SR–ICEEU–2023–003]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to Part N1 of the Delivery Procedures

February 2, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on January 20, 2023, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A)³ of the Act and Rule 19b–4(f)(4)(ii)⁴ thereunder, such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) proposes to amend Part N1 of its Delivery Procedures (“Delivery Procedures” or “Procedures”) to update the delivery timetable for ICE Deliverable US Emissions Contracts.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part N1 of the Delivery Procedures which applies to ICE Deliverable US Emissions Contracts (i) for which physical delivery is specified as being “Applicable” in the relevant Contract Terms, (ii) which go to physical delivery on the expiry date; and (iii) to which the Clearing House will announce by Circular that Part N1 specifically applies (such contracts “ICE Deliverable US Emissions Contracts”).⁵ The Clearing House is proposing to amend the delivery timetable to remove extraneous and unnecessary provisions in the final row relating to the relevant parties' obligations on the Delivery Day. The relevant delivery and payment obligations are already covered in the preceding rows of the timetable. Specifically, the provisions in the final row relating to final payment to the Seller are already addressed in the row titled “Payment to Seller.” Similarly, the provisions in the final row relating to the return of Seller's Delivery Margin are addressed in the row titled “Payment to Seller.” The amendment would also remove an inconsistency between the deleted provision and the deadline for delivery of Allowances as set forth in the row titled “Seller's Delivery to the Clearing House.” The amendments would additionally remove a statement in the final row relating to the treatment of deliveries after the specified deadline as being deemed received on the next business day. ICE Clear Europe believes that this statement was unnecessary and could have been read to imply that a late delivery was acceptable, which is not consistent with the deadline set forth in the row titled “Seller's Delivery to the Clearing House” and current Clearing House practice. The amendments do not

⁵ Part N1 of the Delivery Procedures (as filed pursuant to filing SR–ICEEU–2021–023, Exchange Act Release No. 34–93764 (Dec. 13, 2021), 86 FR 71692 (Dec. 17, 2021)) will not be operative until the Effective Date referenced below. Part N1, as amended by the proposed amendment set forth herein, will come into effect on or about 23 February 2023, with the specific effective date announced at least one week in advance through ICE Clear Europe Circular (the “Effective Date”).
