

rules of the Exchange. The Exchange also believes that this filing furthers the objectives of Section 6(b)(5) of the Act¹⁵ in that it is designed to facilitate transactions in securities, to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest.

Additionally, the Exchange notes that the provisions of the BOX LLC Agreement, previously approved by the Commission, provide a framework for addressing the Acquisition. Accordingly, the Exchange believes the Acquisition does not present any novel issues that have not been anticipated and addressed by the BOX LLC Agreement.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant burden on competition, and, by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁶ and Rule 19b-4(f)(6) thereunder.¹⁷

¹⁵ 15 U.S.C. 78f(b)(5).

¹⁶ 15 U.S.C. 78s(b)(3)(A).

¹⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the Acquisition does not present any novel issues that have not been anticipated and addressed by the BOX LLC Agreement. Therefore, the Commission designates the proposal operative upon filing.¹⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66500; File No. SR-ICC-2012-01]

Self-Regulatory Organizations; ICE Clear Credit LLC; Notice of Filing of Proposed Rule To Provide That One Hundred Percent (100%) of the Initial Margin Requirement for Client-related Positions Cleared in a Clearing Participant's Customer Account Origin May Be Satisfied by a Clearing Participant Utilizing US Treasuries

March 1, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder² notice is hereby given that on February 17, 2012, ICE Clear Credit LLC ("ICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule changes described in Items I, II, and III below, which Items have been prepared primarily by ICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

¹⁹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

ICC proposes rule amendments that will allow clearing participants to satisfy the initial margin-related liquidity requirements for client-related positions cleared in a clearing participant's customer account origin by posting US Treasuries.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The proposed rule changes provide that one hundred percent (100%) of the initial margin requirement for client-related positions cleared in a clearing participant's customer account origin may be satisfied by the clearing participant utilizing US Treasuries.⁴

The ICC rules currently provide that for all accounts at least forty-five percent (45%) of initial margin must be posted in US dollar cash. The next twenty percent (20%) must be posted in US dollar cash or US Treasuries. The remaining thirty-five percent (35%) must be posted in US dollar cash or US Treasuries or G7 cash.

The proposed rules provide that at least sixty-five percent (65%) of the initial margin requirement for client-related positions cleared in a clearing participant's customer account origin must be posted in US dollar denominated assets (US dollar cash and/or US Treasuries) and the remaining thirty-five percent (35%) must be posted in US dollar cash or US Treasuries or G7 cash. Again, the

proposed changes will apply only to the initial margin liquidity requirements associated with the initial margin requirement for client-related positions cleared in a clearing participant's customer account origin. The proposed changes will not apply to the ICC liquidity requirements for house initial margin and the guaranty fund.

The proposed rule changes are intended to facilitate client-related clearing. Customers of ICC's clearing participants have indicated that the current US dollar cash liquidity requirement is too restrictive and serves as a barrier to clearing. The proposed rule changes are consistent with the recently promulgated CFTC regulation 39.11(e)(1) that provides that the CFTC's "cash" liquidity requirement includes US Treasury obligations. ICC routinely monitors its potential liquidity needs and reevaluates its liquidity requirements to ensure that it has sufficient intraday liquidity to manage cash payments in the event of a member default.⁵

(B) Self-Regulatory Organization's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will: (A) By order approve or disapprove the

proposed rule change or (B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>) or Send an email to rule-comments@sec.gov. Please include File Number SR-ICC-2012-01 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-ICC-2012-01. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Section, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filings will also be available for inspection and copying at the principal office of ICC and on ICC's Web site at https://www.theice.com/publicdocs/regulatory_filings/ICEClearCredit_021712.pdf.

All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-ICC-2012-01 and should

³ The Commission has modified the text of the summaries prepared by ICC.

⁴ ICC applies haircuts to US Treasuries to mitigate liquidity risk. The current haircuts are: 1.25% for US Treasuries maturing in less than one year, 2.5% for US Treasuries maturing in one to five years, 5.0% for US Treasuries maturing in five to ten years, and 10.0% for US Treasuries maturing in more than ten years (available at: https://www.theice.com/publicdocs/clear_credit/ICE_Clear_Credit_Collateral_Management.pdf).

⁵ Currently at least 45% of house initial margin and the guaranty fund requirements must be posted in US dollar cash and the ICC contribution to the guaranty fund is in US dollar cash. Additionally, ICC requires all members to meet and maintain their minimum guaranty fund requirement deposit of \$20 million in US dollar cash regardless of the amount of each member's total guaranty fund requirement. In addition, in the event of immediate liquidity needs in the event of a member's default, ICC may borrow (through IntercontinentalExchange, Inc.) up to an aggregate principal amount of \$100 million against IntercontinentalExchange, Inc.'s senior unsecured revolving credit facility.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66499; File No. SR-NASDAQ-2012-002]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Designation of a Longer Period for Commission Action on Proposed Rule Change To Adopt an Alternative to the \$4 Initial Listing Bid Price Requirement for the Nasdaq Capital Market of Either \$2 or \$3, if Certain Other Listing Requirements Are Met

March 1, 2012.

On January 3, 2012, The NASDAQ Stock Market LLC ("Exchange" or "Nasdaq") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposal to adopt an alternative to the \$4 minimum bid price initial listing requirement for the Nasdaq Capital Market of either \$2 or \$3, if certain other listing requirements are met. The proposed rule change was published for comment in the **Federal Register** on January 20, 2012.³ The Commission received one comment on the proposal.⁴

Section 19(b)(2) of the Act⁵ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day for this filing is March 5, 2012.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. The Commission finds that it is appropriate to designate a longer period to take action on the proposed rule change so that it has sufficient time to consider the Exchange's proposal and the comment received. The Exchange's proposal would, among other things, allow a company's primary equity securities to be initially listed on the Nasdaq Capital Market if those securities have a minimum bid price of \$2 or \$3 per share and certain other listing requirements are met.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁶ designates April 19, 2012, as the date by which the Commission should either approve or disapprove or institute proceedings to determine whether to disapprove the proposed rule change.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁷

March 1, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 22, 2012, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to assess no Maker fee for such transactions in order to attract liquidity.
