

certain frozen fish fillets from Vietnam covering the period August 1, 2010, through January 31, 2011.² On June 23, 2011, the Department extended the deadline for parties to submit surrogate country selection comments and surrogate value data.³ On August 5, 2011, the Department extended the deadline for parties to file rebuttal surrogate country and surrogate value comments.⁴ Between July 22, 2011, and August 12, 2011, the Department received surrogate country and surrogate value comments from interested parties. On September 12, 2011, the Department issued a second supplemental questionnaire to the respondent, requesting additional information regarding both its U.S. sale and factors of production. The preliminary results for this new shipper review are currently due on September 20, 2011.

Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(1), requires the Department to issue the preliminary results in a new shipper review of an antidumping duty order 180 days after the date on which the new shipper review was initiated. The Department may however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. *See* 19 CFR 351.214(i)(2).

The Department determines that this new shipper review involves extraordinarily complicated methodological issues, including the need to analyze the information requested in the recently issued supplemental questionnaire, as well as, information pertaining to the *bona fide* nature of the new shipper's sale. In addition, parties have submitted voluminous surrogate country comments and surrogate value data, and

thus, the Department will require additional time to analyze these data. We are therefore extending the time for the completion of the preliminary results of this review by 45 days to November 4, 2011.

This notice is published in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: September 16, 2011.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

SUPPLEMENTARY INFORMATION:

Authority: 15 U.S.C. 278.

The purpose of this meeting is to review and make recommendations regarding general policy for the Institute, its organization, its budget, and its programs within the framework of applicable national policies as set forth by the President and the Congress. The agenda will include an update on NIST, open sessions of the VCAT Subcommittee on Public Safety Networks and the VCAT Subcommittee on Manufacturing, and presentations on the Subcommittee's recommendations for deliberation by the full Committee. Recommendations from the Public Safety Networks Subcommittee will cover the key architectural elements of a next generation wireless communication network. The Manufacturing Subcommittee's recommendations will address the structure and role of the Advanced Manufacturing Technology Consortia, a proposed new public-private partnership program. The Committee also will hold a wrap-up discussion including plans for future VCAT subcommittee activities and the 2011 VCAT Annual Report. The agenda may change to accommodate Committee business. The final agenda will be posted on the NIST Web site at <http://www.nist.gov/director/vcat/agenda.cfm>.

Individuals and representatives of organizations who would like to offer comments and suggestions related to the Committee's affairs are invited to request a place on the agenda. On October 18, 2011, approximately one-half hour will be reserved in the afternoon for public comments and speaking times will be assigned on a first-come, first-serve basis. The amount of time per speaker will be determined by the number of requests received, but is likely to be about 3 minutes each. The exact time for public comments will be included in the final agenda that will be posted on the NIST Web site at <http://www.nist.gov/director/vcat/agenda.cfm>. Questions from the public will not be considered during this period. Speakers who wish to expand upon their oral statements, those who had wished to speak but could not be accommodated on the agenda, and those who were unable to attend in person are invited to submit written statements to the VCAT, National Institute of Standards and Technology, 100 Bureau Drive, MS 1060, Gaithersburg, Maryland, 20899, via fax at 301-948-1936 or electronically by e-mail to gail.ehrlich@nist.gov.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Permitting, Vessel Identification, and Vessel Monitoring System Requirements for the Commercial Bottomfish Fishery in the Commonwealth of the Northern Mariana Islands

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before November 28, 2011.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Walter Ikehara, (808) 944-2275 or Walter.Ikehara@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for a revision and extension of a currently approved information collection (the National Marine Fisheries Service (NMFS) is now requiring a permit fee).

NMFS requires that owners of commercial fishing vessels in the bottomfish fishery in the Commonwealth of the Northern Mariana Islands (CNMI) obtain a federal

bottomfish permit. If their vessels are over 40 ft. (12.2 m) long, they must also mark their vessels in compliance with federal identification requirements and carry and maintain a satellite-based vessel monitoring system (VMS). This collection of information is needed for permit issuance, to identify actual or potential participants in the fishery, and aid in enforcement of regulations and area closures.

II. Method of Collection

Respondents have a choice of either electronic or paper forms. Methods of submittal include e-mail of electronic forms, and mail and facsimile transmission of paper forms. VMS data are collected electronically and automatically.

III. Data

OMB Control Number: 0648-0584.

Form Number: None.

Type of Review: Regular submission (revision and extension of a currently approved collection).

Affected Public: Not-for-profit institutions; state, local, or tribal government; business or other for-profit organizations.

Estimated Number of Respondents: 125 total; 6 medium-large vessels (over 40 ft).

Estimated Time per Response: Permit applications and renewals, 30 minutes; vessel identification, 45 minutes; initial VMS installation, 2 hours; VMS maintenance, 2 hours annually.

Estimated Total Annual Burden Hours: 84.

Estimated Total Annual Cost to Public: \$4,385.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: September 21, 2011.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for a revision and extension of this information collection.

National Marine Sanctuary regulations at 15 CFR part 922 list specific activities that are prohibited in national marine sanctuaries. These regulations also state that otherwise prohibited activities are permissible if a permit is issued by the Office of National Marine Sanctuaries (ONMS). Persons desiring a permit must submit an application, and anyone obtaining a permit is generally required to submit one or more reports on the activity allowed under the permit.

The recordkeeping and reporting requirements at 15 CFR part 922 form the basis for this collection of information. This information is required by ONMS to protect and
