

maintenance technician school certificates and associated ratings and the general operating rule for the holders of those certificates and ratings. The collection of information (application or a certificate and rating) is necessary to ensure that Aviation Maintenance Technician Schools meet the minimum requirements for procedures and curriculum set forth by the FAA in FAR part 147. Applicants submit FAA Form 8310-6, Aviation Maintenance Technician School certificate and Ratings Application, to the appropriate FAA district office for review. If the application (including supporting documentation) is satisfactory, an on-site inspection is conducted. When all FAR part 147 requirements have been met, an aviation maintenance technician school certificate with appropriate ratings is issued.

Respondents: Approximately 174 representatives of aviation maintenance technician schools.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 3.17 hours.

Estimated Total Annual Burden: 66,134 hours.
