

insurers who have been identified as responsible for paying Black Lung benefits to an eligible miner or an eligible surviving dependent of the miner, are called Responsible Operators (ROs). ROs who pay benefits are required to report any change in the benefit amount to the Division of Coal Mine Workers' Compensation within the OWCP. Form CM-908, when properly completed and submitted, notifies the agency of the change in the beneficiary's benefit amount and the reason for the change. Federal Mine Safety and Health Act of 1977 as amended, section 432 (30 U.S.C. 942) and regulations 20 CFR 725.621 necessitate this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1240-0030. The current OMB approval is scheduled to expire on June 30, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect after OMB approval. This ICR is classified as a revision, because the OWCP has made certain changes for Form CM-908; however, those changes are not expected to change respondent burden. For example, the OWCP has added the DOL seal and removed a reference to the no longer existent Employment Standards Administration. In addition, the OWCP has added a notice that additional assistance is available for respondents with disabilities and improved accessibility for such persons who access the form on the Internet. The OWCP has also added some functionality to ensure consistency and accuracy for some responses. For additional information, see the related notice published in the **Federal Register** on March 7, 2012 (77 FR 13636).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES**

section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should reference OMB Control Number 1240-0030. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

SUPPLEMENTARY INFORMATION: Article 16.4.3 of the Labor Chapter of the CAFTA–DR provides for the receipt and review of public communications (“submissions”) regarding labor law matters in Central America and the Dominican Republic. A **Federal Register** notice issued on December 21, 2006, informed the public that the OTLA had been designated as the office to serve as the contact point for implementing the CAFTA–DR’s labor provisions. The same **Federal Register** notice informed the public of the Procedural Guidelines that OTLA would follow for the receipt and review of public submissions (71 FR 76691 (2006)). These Procedural Guidelines are available at <http://www.dol.gov/ilab/programs/otla/proceduralguidelines.htm>.

On February 22, 2012, Submission #2011–03 was accepted for review pursuant to Article 16.4.3 of the CAFTA–DR, and a **Federal Register** notice announcing this decision was published on March 15, 2012 (77 FR 15397 (2012)). OTLA is now in the process of conducting its review of the submission to determine its findings on the allegations in the submission. As part of this review, OTLA has received information from stakeholders, visited the Dominican Republic, met with organizations and individuals, and conducted interviews with workers and their representatives, management and other sugar industry representatives, and the government. In addition, OTLA, via this notice, seeks information from the general public relevant to the submission as part of its review process. Comments submitted should, to the greatest extent possible:

3. Include the source of the information received, such as a legal document, an interview, a report from another organization, or if appropriate to the facts at hand, personal experience; as well as the title, name
