The above described lands aggregate approximately 35,712 acres, more or less, in the counties of Grant, Morrow and Umatilla, Oregon.

Findings: In sec. 2 (3) and (4) of the OLEA, Congress found that consolidation of land ownerships through the exchange will facilitate sound and efficient management for both public and private lands, which will reduce administrative costs to the United States. Congress also found that the exchange will improve public access, aesthetic quality, and recreational opportunities within wild and scenic river corridors; and will provide protection and enhancement of habitat for threatened, endangered, or sensitive species. The NOALE Final Environmental Impact Statement supports these Congressional findings.

The appraisals show the value of the lands to be exchanged as approximately equal. Full equalization of values will be achieved by payment to the United States of funds in an amount not to exceed 25 percent of the total value of the public lands to be transferred.

Time and Place for Public Review: Upon publication of this notice in the **Federal Register** and in newspapers in general circulation in the vicinity of the public lands included in this exchange, beginning on Monday, October 30, 2000, the general public will have a 15 day review period to examine the comprehensive summaries of the appraisals for both the public and the private lands. The BLM is making these summaries available, in addition to the complete appraisals of the public and the private lands, in the public room of the Prineville District Office, the Baker Field Office, and the Land Office of the Oregon State Office.

ADDRESSES: The Comprehensive Summaries and Appraisals are available for inspection at the Prineville District Office, 3050 NE 3rd Street, Prineville, Oregon 97754, from 7:45 a.m. to 4:30 p.m., Monday through Friday. Notice of Intent to Repatriate a Cultural Item in the Possession of the Field Museum of Natural History, Chicago, IL

AGENCY: National Park Service

ACTION: Notice

Notice is hereby given under the Native American Graves Protection and Repatriation Act, 43 CFR 10.10 (a)(3), of the intent to repatriate a cultural item in the possession of the Field Museum of Natural History that meets the definition of "object of cultural patrimony" under Section 2 of the Act.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 43 CFR 10.2 (c). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of these cultural items. The National Park Service is not responsible for the determinations within this notice.

The cultural item is a totem pole, catalogue number 19341, accession 663. The totem pole is carved with an eagle, a thunderbird, and a bear.

Until 1899, the totem pole stood in Cape Fox, AK. The totem pole was removed from Cape Fox, AK by the Harriman Alaska Expedition in July 1899, when the expedition's steamer anchored near the deserted village. It was donated to the Field Museum of Natural History on January 15, 1900 by D. G. Elliott. Mr. Elliot had been a member of the Harriman Expedition, and was the curator of zoology at the Field Museum of Natural History at the time of donation.

Consultation evidence indicates that at the time of collection by the Harriman Alaska Expedition the totem pole was considered to be the communal property of residents of Cape Fox, AK and could not have been alienated, appropriated, or conveyed by any individual.

Based on the above-mentioned information, officials of the Field Museum of Natural History have determined that, pursuant to 43 CFR 10.2 (d)(4), this cultural item has ongoing historical, traditional, and cultural importance central to the tribe itself, and could not have been alienated, appropriated, or conveyed by any individual. Officials of the Field Museum of Natural History also have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity that can be reasonably traced between this item and the Cape Fox Corporation.

This notice has been sent to officials of the Cape Fox Corporation. Representatives of any other Indian tribe that believes itself to be culturally affiliated with this cultural item should contact Dorren Martin-Ross, Registrar, Department of Anthropology, Field Museum of Natural History, Roosevelt Road at Lake Shore Drive, Chicago, IL 60605, telephone (312) 665-7824, before November 24, 2000. Repatriation of this cultural item to the Cape Fox Corporation may begin after that date if no additional claimants come forward.

Dated: October 16, 2000.

John Robbins,
Assistant Director, Cultural Resources Stewardship and Partnerships.
