#### **Overview of This Information**

Title of the Form:

Federal Firearms Licensee (FFL) Enrollment/National Instant Criminal Background Check System (NICS) E-Check Enrollment Form.

Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities under the National Instant Criminal Background Check System (NICS) Form.

(2) *Agency Form Number, if any, and the applicable component of the department sponsoring the collection:*  
*Form Number:* 1110-0026.

Sponsor: Criminal Justice Information Services (CJIS) Division of the Federal Bureau of Investigation (FBI), Department of Justice (DOJ).

(3) *Affected public who will be asked or required to respond, as well as a brief abstract:*

*Primary:* Any Federal Firearms Licensee (FFL) or State Point of Contact (POC) requesting access to conduct National Instant Criminal Background Check System (NICS) checks telephonically or by the Internet through the NICS E-Check.

*Brief Abstract:* The Brady Handgun Violence Prevention Act of 1993 required the United States Attorney General to establish a national instant criminal background check system that any FFL may contact, by telephone or by other electronic means, for information to be supplied immediately, on whether receipt of a firearm to a prospective purchaser would violate state or federal law. <http://www.fbi.gov/programs/nics/index.htm>.

(4) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:*

It is estimated that 250 FFLs enroll with the NICS per month for a total of 3,000 enrollments per year. The average response time for reading the directions for the National Instant Criminal Background Check System (NICS) Federal Firearms Licensee (FFL) Enrollment/NICS E-Check Enrollment Form is estimated to be two minutes; time to complete the form is estimated to be three minutes; and the time it takes to assemble, mail, or fax the form to the FBI is estimated to be three minutes, for a total of eight minutes. The average hour burden for this specific form is  $3,000 \times 8 \text{ minutes}/60 = 400$  hours.

The Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities Form under the National Instant Criminal Background Check System (NICS) takes approximately three minutes to read the responsibilities and two minutes to complete the form, for a total of five minutes. The average hour burden for this specific form is  $6,000 \times 5 \text{ minutes}/60 = 250$  hours.

The letter mailed to each new FFL takes an additional two minutes to read which would be  $3,000 \times 2 \text{ minutes}/60 = 100$  hours.

The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be  $3,000 \times 15/60 = 750$  hours.

(5) *An estimate of the total public burden (in hours) associated with the collection:*

The entire process of reading the letter and completing both forms would take 15 minutes per respondent. The average hour burden for completing both forms and reading the accompanying letter would be  $3,000 \times 15/60 = 750$  hours.

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 3, 2012, applicable to workers of General Motors Vehicle Manufacturing, including on-site leased workers from Aerotek, Kelly Services, Voith Industrial Services, Shreveport Ramp Services, Dana Holding Corporation, The Landing of GM, Filtration Services Group, BASF, G4S Secure Services, Seibert Powder Coating, and Advantis Occupational Health, Shreveport, Louisiana (subject firm).

On September 17, 2012, the Department issued an amended certification to include on-site leased workers of Veolia ES Industrial Services, Inc. and Automotive Quality Associates.

The workers' firm is engaged in activities related to the production of pick-up trucks.

Based on information provided in a later-filed Trade Adjustment Assistance petition, the Department reviewed the certification for workers of the subject firm.

New information from the subject firm shows that workers from Career Adventures are sufficiently under the control of General Motors Vehicle Manufacturing, Shreveport, Louisiana, to be considered leased workers.

The intent of the Department's certification is to include all workers of

the subject firm who were adversely affected by increased imports of pick-up trucks.

Based on these findings, the Department is amending this certification to include workers leased from Career Adventures working on-site at the subject firm. The amended notice applicable to TA-W-81,751 is hereby issued as follows:

All workers of General Motors Vehicle Manufacturing, including on-site leased workers from Aerotek, Kelly Services, Voith Industrial Services, Shreveport Ramp Services, Dana Holding Corporation, The Landing of GM, Filtration Services Group, BASF, G4S Secure Services, Seibert Powder Coating, Advantis Occupational Health, Veolia ES Industrial Services, Inc., Automotive Quality Associates, and Career Adventures, Shreveport, Louisiana, who became totally or partially separated from employment on or after July 28, 2012, through August 3, 2014, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

#### **Hydro Aluminum North America, Inc., Midwest Region, Including On-Site Leased Workers From Employment Group, Aerotek, and Manpower, Kalamazoo, Michigan; Hydro Aluminum North America, Inc., Midwest Region, Including On-Site Leased Workers From Penmac, Monett, Missouri; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 3, 2012, applicable to workers and former workers of Hydro Aluminum North America, Inc., Kalamazoo, Michigan. The subject worker group includes on-site leased workers from Employment Group, Aerotek, and Manpower. The workers'

firm is engaged in activities related to the production of extruded aluminum rod, bar, and other extruded shapes.

The certification was based on the Department's findings that the criteria set forth in Section 222(e) of the Act, 19 U.S.C. 2272(e), have been met.

Based on information provided in a later-filed petition, the Department reviewed the certification for workers of the subject firm.

Additional information provided by the company official revealed that the Kalamazoo, Michigan facility is not part of the Kalamazoo Division but is part of the Midwest Region. The certification is being amended to reflect this correction.

The new information also revealed that the Midwest Region includes facilities in Indiana, Missouri, Ohio and Michigan, and that Regional operation is coordinated through the Kalamazoo, Michigan facility. The Monett, Missouri facility has ceased operations and work formerly completed at that facility has been moved to the remaining Midwest Region facilities. The worker group at the Monett, Missouri facility includes on-site leased workers from Penmac.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by imports of certain aluminum extrusions from China.

Based on these findings, the Department is amending this certification to include workers and former workers of the Monett, Missouri facility of Hydro Aluminum North America, Inc., Midwest Region, including on-site leased workers of Penmac.

The amended notice applicable to TA-W-81,589 is hereby issued as follows:

All workers of Hydro Aluminum North America, Inc., Midwest Region, including on-site leased workers from Employment Group, Aerotek, and Manpower, Kalamazoo, Michigan (TA-W-81,589), and Hydro Aluminum North America, Inc., Midwest Region, including on-site leased workers from Penmac, Monett, Missouri (TA-W-81,589A), who became totally or partially separated from that employment on or after May 19, 2010 through May 19, 2012, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.
