ENVIRONMENTAL PROTECTION AGENCY

[FRL-9286-3]

Science Advisory Board Staff Office; Notification of a Public Teleconference of the Clean Air Scientific Advisory Committee (CASAC)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a public teleconference of the Clean Air Scientific Advisory Committee (CASAC) to conduct a quality review and approve draft reports from the CASAC Oxides of Nitrogen (NO_x) and Sulfur Oxides (SO_x) Secondary Review Panel (NO_x-SO_x Panel) and the CASAC Air Monitoring and Methods Subcommittee (AMMS).

DATES: The public teleconference will be held on May 12, 2011 from 9 a.m. to 11 a.m. (Eastern Time).

ADDRESSES: The public teleconference will be conducted by telephone only.

FOR FURTHER INFORMATION CONTACT: Any member of the public who wants further information concerning the teleconference may contact Dr. Holly Stallworth, Designated Federal Officer (DFO), EPA Science Advisory Board (1400R), U.S. Environmental Protection Agency, 1300 Pennsylvania Avenue, NW., Washington, DC 20460; via telephone/voice mail (202) 564-2073; fax (202) 565-2098; or e-mail at stallworth.holly@epa.gov. General information concerning the CASAC can be found on the EPA Web site at <http://www.epa.gov/casac>.

SUPPLEMENTARY INFORMATION:

Background: The CASAC was established pursuant to the Clean Air Act (CAA) Amendments of 1977, codified at 42 U.S.C. 7409D(d)(2), to provide advice, information, and recommendations to the Administrator on the scientific and technical aspects of issues related to the criteria for air quality standards, research related to air quality, sources of air pollution, and the strategies to attain and maintain air quality standards and to prevent significant deterioration of air quality. The CASAC is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. Section 109(d)(1) of the CAA requires that the Agency periodically review and revise, as appropriate, the air quality criteria and the NAAQS for the six "criteria" air pollutants, including Oxides of Nitrogen and Oxides of Sulfur.

As noticed in 76 FR 4109-4110, the NO_x-SO_x Panel held a public meeting on February 15-16, 2011 to review EPA's *Policy Assessment for the Review of the Secondary National Ambient Air Quality Standards for Oxides of Nitrogen and Oxides of Sulfur* (February 2011). On May 12, 2011, CASAC will review the draft report of the NO_x-SO_x Panel that provides advice on issues identified in the policy assessment.

As noticed in 76 FR 4346, the AMMS met on February 16, 2011 to review and provide advice on the scientific adequacy and appropriateness of EPA's draft documents on monitoring and methods for Oxides of Nitrogen (NO_x) and Sulfur (SO_x). As noticed in 76 FR 12732-12733, the AMMS also held a public teleconference on March 29, 2011 to review and finalize its draft report.

The draft reports of the NO_x-SO_x Panel and the AMMS will be posted at the CASAC Web site. To access these draft reports, go to the CASAC Web site at <http://www.epa.gov/casac> and click on the calendar link for May 12, 2011 on the blue navigation bar.

Technical Contact and URL for EPA's *Policy Assessment for the Review of the Secondary National Ambient Air Quality Standards for Oxides of Nitrogen and Oxides of Sulfur* (February 2011): Any technical questions concerning the above-referenced policy assessment can be directed to Dr. Richard Scheffe at scheffe.rich@epa.gov or 919-541-4650. The document is posted at <http://yosemite.epa.gov/sab/sabproduct.nsf/bf498bd32a1c7fd85257242006dd6cb/7f4c00f9da9bb75e852577ed005f026c!OpenDocument&Date=2011-02-15>.

Technical Contact and URL for EPA's Monitoring Documents for NO_x and SO_x: Any technical questions concerning EPA's draft monitoring documents for NO_x and SO_x and proposed methods for assessing levels of nitrogen and sulfur deposition should contact Dr. Richard Scheffe at scheffe.rich@epa.gov or 919-541-4650. Review documents on NO_x and SO_x monitoring can be assessed at <http://yosemite.epa.gov/sab/sabproduct.nsf/bf498bd32a1c7fd85257242006dd6cb/eea38cc34cc1f86f8525781d005866e6!OpenDocument&Date=2011-02-16>.

Availability of Meeting Materials: A meeting agenda and other materials for the meeting will be placed on the CASAC Web site on the Web page reserved for the May 12, 2011 teleconference, accessible through the calendar link on the blue navigation sidebar at <http://www.epa.gov/casac>.

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit comments for a federal advisory committee to consider as it develops advice for EPA. Input from the public to CASAC will have the most impact if it consists of comments that provide specific scientific or technical information or analysis for CASAC to consider or if it relates to the clarity or accuracy of the technical information included. Members of the public wishing to provide comment should contact the Designated Federal Officer directly.

Oral Statements: To be placed on the public speaker list for the teleconference, interested parties should notify Dr. Holly Stallworth, DFO, by e-mail no later than May 5, 2011.

Individuals making oral statements will be limited to three minutes per speaker.

Written Statements: Written statements for the teleconference should be received in the SAB Staff Office by May 5, 2011 so that the information may be made available to the CASAC for its consideration prior to this teleconference. Written statements should be supplied to the DFO via e-mail (acceptable file format: Adobe Acrobat PDF, MS Word, WordPerfect, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format). It is the SAB Staff Office policy to post written comments on the Web page for the advisory meeting or teleconference. Members of the public should be aware that their personal contact information, if included in any written comments, may be posted to the SAB Web site. Copyrighted material will not be posted without explicit permission of the copyright holder.

Accessibility: For information on access or services for individuals with disabilities, please contact Dr. Stallworth at the phone number or e-mail address noted above, preferably at least ten days prior to the teleconference, to give EPA as much time as possible to process your request.

Dated: March 16, 2011.

Anthony F. Maciorowski,

Deputy Director, EPA Science Advisory Board Staff Office.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[FRL-9286-6]

Science Advisory Board Staff Office; Notification of a Public Meeting of the Science Advisory Board Panel for the Oil Spill Research Strategy Review Panel

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA or Agency) Science Advisory Board (SAB) Staff Office announces a public face-to-face meeting of the SAB Panel to review EPA's Draft Oil Spill Research Strategy.

DATES: The meeting will be held on April 11, 2011 from 9 a.m. to 5 p.m. and April 12, 2011 from 8 a.m. to 12:30 p.m. (Eastern Time).

ADDRESSES: The Panel meeting will be held at the Omni Shoreham, 2500 Calvert Street, NW., Washington, DC 20008, Phone (202) 234-0700.

FOR FURTHER INFORMATION CONTACT: Any member of the public wishing further information regarding this meeting may contact Mr. Thomas Carpenter, Designated Federal Officer (DFO), SAB Staff Office, by telephone/voice mail at (202) 564-4885; by fax at (202) 565-2098 or via e-mail at General information concerning the EPA Science Advisory Board can be found at the EPA SAB Web site at <http://www.epa.gov/sab>. Any inquiry regarding EPA's Draft Oil Spill Research Strategy should be directed to Patricia Erickson, EPA Office of Research and Development (ORD), at erickson.patricia@epa.gov or (513) 569-7406.

SUPPLEMENTARY INFORMATION:

Background: The SAB was established pursuant to the Environmental Research, Development, and Demonstration Authorization Act (ERDAA), codified at 42 U.S.C. 4365 to provide independent scientific and technical advice to the Administrator on the technical basis for Agency positions and regulations. The SAB is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. Pursuant to FACA and EPA policy, notice is hereby given that an ad hoc SAB Panel will hold a public meeting to review EPA's Draft Oil Spill Research Strategy. The SAB will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

The Draft Oil Spill Research Strategy discusses proposed research and collaborative approaches for four activities related to oil spills: Dispersants, alternative remediation technologies, coastal inland restoration, and human health effects. The Deep Water Horizon spill identified the need for additional research on alternative spill response technologies; environmental impacts of chemical dispersants under deep sea application conditions; the fate and toxicity of dispersants and dispersed oil; chronic health effects for spill response workers and the public; and shoreline and wetland impacts, restoration and recovery. Accordingly, EPA developed the research strategy to address these needs, as they pertain to EPA's responsibilities for oil spills, and has requested that the SAB review their draft strategy.

EPA is seeking SAB review and comment regarding the Draft Oil Spill Research Strategy. Information about formation of the panel and the draft strategy can be found at http://yosemite.epa.gov/sab/sabproduct.nsf/fedrgstr_activites/Oil%20Spill%20Research%20Strategy?OpenDocument.

The purpose of the April 11-12, 2011, meeting is for the Panel to discuss their review comments on EPA's draft Oil Spill Research Strategy.

Availability of Meeting Materials: The agenda and the draft EPA Oil Spill Research Strategy will be available on the SAB Web site at <http://www.epa.gov/sab> in advance of the meeting.

Procedures for Providing Public Input: Public comment for consideration by EPA's federal advisory committees and panels has a different purpose from public comment provided to EPA program offices. Therefore, the process for submitting comments to a federal advisory committee is different from the process used to submit comments to an EPA program office. Federal advisory committees and panels, including scientific advisory committees, provide independent advice to EPA. Members of the public can submit comments for a federal advisory committee to consider as it develops advice for EPA. Input from the public to the SAB will have the most impact if it consists of comments that provide specific scientific or technical information or analysis for SAB panels to consider or if it relates to the clarity or accuracy of the technical information included. Members of the public wishing to provide comment should contact the Designated Federal Officer for the relevant advisory committee directly.

Oral Statements: In general, individuals or groups requesting an oral presentation at this public meeting will be limited to five minutes per speaker. Interested parties should contact Mr. Thomas Carpenter, DFO, in writing (preferably via e-mail), at the contact information noted above, by March 25, 2011 to be placed on the list of public speakers for the meeting. Written Statements: *Written statements* should be received in the SAB Staff Office by March 25, 2011 so that the information may be made available to the SAB Oil Spill Research Review Panel for their consideration. Written statements should be supplied to the DFO in the following formats: One hard copy with original signature and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, WordPerfect, MS Word, MS PowerPoint, or Rich Text files in IBM-PC/Windows 98/2000/XP format). Submitters are requested to provide two versions of each document submitted: One each with and without signatures, because the SAB Staff Office does not publish documents with signatures on its Web sites. It is the SAB Staff Office general policy to post written comments on the Web page for the advisory meeting or teleconference.
