

help make informed business decisions on what commodities to produce and when is the optimal time to market their products. NASS data is useful to farmers in comparing their farming practices with the economic and environmental data published by NASS.

Authority: These data will be collected under the authority of 7 U.S.C. 2204(a). Individually identifiable data collected under this authority are governed by section 1770 of the Food Security Act of 1985 as amended, 7 U.S.C. 2276, which requires USDA to afford strict confidentiality to non-aggregated data provided by respondents. This Notice is submitted in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104–113) and the Office of Management and Budget regulations at 5 CFR part 1320.

All NASS employees and NASS contractors must also fully comply with all provisions of the Confidential Information Protection and Statistical Efficiency Act (CIPSEA) of 2018, title III of Public Law 115–435, codified in 44 U.S.C. ch. 35. CIPSEA supports NASS's pledge of confidentiality to all respondents and facilitates the agency's efforts to reduce burden by supporting statistical activities of collaborative agencies through designation of NASS agents, subject to the limitations and penalties described in CIPSEA.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 10 to 15 minutes per respondent.

Respondents: Potential Farmers and Ranchers.

Estimated Number of Respondents: 485,000 (annual average).

Estimated Total Annual Burden on Respondents: With an estimated response rate of approximately 65% NASS estimates the burden to be approximately 105,000 hours (annually).

Comments: Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, technological or other forms of information technology collection methods.

All responses to this notice will become a matter of public record and be summarized in the request for OMB approval.

Signed at Washington, DC, February 14, 2024.

Joseph L. Parsons,

Associate Administrator.

Steel Concrete Reinforcing Bars From Belarus, the People’s Republic of China, Indonesia, Latvia, Moldova, Poland, and Ukraine: Final Results of the Expedited Fourth Sunset Review of the Antidumping Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty orders on steel concrete reinforcing bars (rebar) from Belarus, the People’s Republic of China (China), Indonesia, Latvia, Moldova, Poland, and Ukraine would be likely to lead to continuation or recurrence of dumping at the levels indicated in the “Final Results of Sunset Reviews” section of this notice.

DATES: Applicable March 7, 2024.

FOR FURTHER INFORMATION CONTACT: Jinny Ahn or Peter Farrell, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0339 or (202) 482–2104, respectively.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 2023, Commerce published the notice of initiation of the fourth sunset review of the *Orders*¹ on rebar from Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).² On

November 15, 2023, Commerce received a notice of intent to participate from the Rebar Trade Action Coalition (RTAC), a domestic interested party, within the deadline specified in 19 CFR 351.218(d)(1)(i).³ RTAC claimed interested party status under section 771(9)(F) of the Act, as an association, a majority of whose members is composed of producers of a domestic like product. In addition, each individual member of RTAC claimed interested party status under 771(9)(C) of the Act, as a producer of a domestic like product in the United States.

On November 30, 2023, we received a complete substantive response for this review from RTAC within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁴ We received no substantive responses from respondent interested parties, nor was a hearing requested. On December 21, 2023, Commerce notified the U.S. International Trade Commission that it did not receive substantive responses from any respondent interested parties.⁵ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Orders* on rebar from Belarus, China, Indonesia, Latvia, Moldova, Poland, and Ukraine.

Scope of the Orders

The products covered by the *Orders* are all steel concrete reinforcing bars sold in straight lengths, currently classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers 7214.20.00, 7228.20.8050, 7222.11.0050, 7222.30.0000, 7228.60.6000, 7228.20.1000, or any other tariff item number. Specifically excluded are plain rounds (*i.e.*, non-deformed or smooth bars) and rebar that has been further processed through bending or coating.

HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.

Analysis of Comments Received

All issues raised in this review, including the likelihood of continuation
