DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5375-N-41]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Kathy Ezzell, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 7266, Washington, DC 20410; telephone (202) 708-1234; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Rita, Division of Property Management, Program Support Center, HHS, room 5B-17, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable. For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions

or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: *Coast Guard*: Commandant, United States Coast Guard, Attn: Jennifer Stomber, 2100 Second St., SW., Stop 7901, Washington, DC 20593-0001; (202) 475-5609; *Energy*: Mr. Mark Price, Department of Energy, Office of Engineering and Construction Management, 1000 Independence Ave., SW., Washington, DC 20585; (202) 586-5422; *GSA*: Mr. Gordon Creed, Acting Deputy Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th & F Streets, NW., Washington, DC 20405; (202) 501-0084; *Interior*: Mr. Michael Wright, Acquisition & Property Management, Department of the Interior, 1849 C Street, NW., Washington, DC 20240; (202) 208-5399; *Navy*: Mr. Albert Johnson, Director of Real Estate, Department of the Navy, Naval Facilities Engineering Command, Washington Navy Yard, 1330 Patterson Ave., SW., Suite 1000, Washington, DC 20374; (202) 685-9305; (These are not toll-free numbers).

Additional Waivers Granted to and Alternative Requirements for the State of Illinois' CDBG Disaster Recovery Grant Under Public Law 110-329

AGENCY: Office of the Secretary, HUD.

ACTION: Notice of additional waivers and alternative requirements.

SUMMARY: This notice describes additional waivers and alternative requirements applicable to the Community Development Block Grant (CDBG) disaster recovery grant provided to the State of Illinois for the purpose of assisting in the recovery related to the consequences of the State's 2008 disasters. HUD previously published

allocation and application notices applicable to this grant on February 13, 2009 (74 FR 7244), and August 14, 2009 (74 FR 41146).

DATES: *Effective Date:* October 27, 2010.

FOR FURTHER INFORMATION CONTACT:

Scott Davis, Director, Disaster Recovery and Special Issues Division, Office of Block Grant Assistance, Department of Housing and Urban Development, 451 7th Street, SW., Room 7286, Washington, DC 20410, telephone number 202-708-3587. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at telephone number 800-877-8339. Facsimile inquiries may be sent to Mr. Davis at facsimile number 202-401-2044. (Except for the "800" number, these telephone numbers are not toll free.)

SUPPLEMENTARY INFORMATION:

Authority To Grant Waivers

The Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009 (Pub. L. 110-329, approved September 30, 2008) (hereinafter, "Second 2008 Act") to differentiate it from the earlier 2008 Supplemental Appropriations Act, Public Law 110-252, approved June 30, 2008) appropriated \$6.5 billion, to remain available until expended, in CDBG funds for necessary expenses related to disaster relief, long-term recovery, and restoration of infrastructure, housing and economic revitalization in areas affected by hurricanes, flooding, and other natural disasters occurring during 2008 for which the President declared a major disaster under title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*).

The Second 2008 Act authorizes the Secretary to waive, or specify alternative requirements for, any provision of any statute or regulation that the Secretary administers in connection with the obligation by the Secretary or use by the recipient of these funds and guarantees, except for requirements related to fair housing, nondiscrimination, labor standards, and the environment (including requirements concerning lead based paint), upon a request by a state grantee explaining why such waiver is required to facilitate the use of such funds or guarantees and a finding by the Secretary that such a waiver would not be inconsistent with the overall purpose of Title I of the Housing and Community Development Act of 1974 (HCD Act). Additionally, regulatory waiver authority is provided by 24 CFR 5.110, 91.600, and 570.5. The

following application and reporting waivers and alternative requirements are in response to a request received from the State of Illinois regarding its use of funds under the Second 2008 Act.

The Secretary finds that the following waivers and alternative requirements, as described below, are necessary to facilitate use of the funds for the statutory purposes and are not inconsistent with the overall purpose of Title I of the HCD Act or the Cranston-Gonzalez National Affordable Housing Act, as amended.

Under the requirements of the Second 2008 Act and the Department of Housing and Urban Development Reform Act of 1989 (the HUD Reform Act), regulatory waivers must be justified and published in the **Federal Register**. Except as described in this Notice, statutory and regulatory provisions governing the CDBG program for states, including those at 24 CFR part 570, shall apply to the use of these funds. In accordance with the Second 2008 Act, HUD will reconsider every waiver in this Notice on the two-year anniversary of the day this Notice is published.

Waiver Justification

Except as described below, the waivers, alternative requirements, and statutory changes published in notices on February 13, 2009 (74 FR 7244) and August 14, 2009 (74 FR 41146) will continue to apply to the State's CDBG disaster recovery funds appropriated under the Second 2008 Act (Pub. L. 110-329). The actions below provide additional flexibility in program design and implementation and implement statutory requirements unique to this appropriation. The provisions of this Notice do not apply to funds provided under the annual CDBG program.

National Objective Documentation for Economic Development Activities. For the national objective documentation for business assistance activities, Illinois has asked to apply individual salaries or wages per job and the income limits for a household of one, rather than the usual CDBG standard of total household income and the limits-by-total household size. Illinois has asserted that this proposed documentation would be simpler and quicker for participating lenders to administer, easier to verify, and would not misrepresent the amount of low- and moderate-income benefit provided. Upon consideration, HUD is granting this waiver, which has also been granted to a number of other state grantees under the Second 2008 Act. It will play a key role in streamlining the State's documentation process because it allows collection of wage data for
