[Docket No. FR–5415–C–17]

Notice of Availability: Notice of Funding Availability (NOFA) for Fiscal Year (FY) 2010 Continuum of Care (CoC) Homeless Assistance Program; Technical Correction

AGENCY: Office of the Chief of the Human Capital Officer, HUD.

ACTION: Notice of technical correction.

SUMMARY: On September 20, 2010, HUD posted on <http://www.Grants.gov> and <http://www.hudhre.info> its Notice of Funding Availability (NOFA) for HUD's FY2010 Continuum of Care Homeless Assistance Program. Today's **Federal Register** publication announces that HUD has posted on <http://www.Grants.gov> and <http://www.hudhre.info> a technical correction that corrects Appendix A of the NOFA. Appendix A of the NOFA, the "List of Counties Defined as Rural for the FY2010 Selection Criteria," inadvertently omitted listing six counties. As provided in the FY2010 CoC NOFA, counties listed on Appendix A and otherwise meeting the criteria described in Section III.C.2.a.(5) of the NOFA, are eligible for consideration for the selection priority described in Section V.B.2 of the NOFA. In addition, HUD determined that five counties not meeting the definition of rural county used in the FY2010 CoC NOFA were inadvertently included on the list of rural counties in Appendix A. As a result, HUD has corrected Appendix A.

The revised CoC NOFA along with the corrected Appendix A can be found and downloaded from <http://www.grants.gov> and <http://www.hudhre.info>. This

correction does not change the application deadline date which remains November 18, 2010.

FOR FURTHER INFORMATION CONTACT: For questions concerning this technical correction, please contact HUD's Homeless Resource Exchange (HRE) Help Desk at <http://www.hudhre.info/helpdesk>. Individuals who are hearing or speech-impaired should use the Information Relay Service at 1–800–877–8339 (these are toll-free numbers).

Dated: October 20, 2010.

Barbara S. Dorf,

Director, Departmental Grants Management and Oversight Office of the Chief of the Human Capital Officer.

DEPARTMENT OF THE INTERIOR

Bureau of Reclamation

Odessa Subarea Special Study; Adams, Franklin, Grant, and Lincoln Counties, Washington INT–DES 10–54

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice of availability and notice of public hearing of Draft Environmental Impact Statement (EIS).

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act (NEPA), the Bureau of Reclamation (Reclamation) is notifying the public that Reclamation and the State of Washington have prepared a Draft EIS for the Odessa Subarea Special Study. The Washington Department of Ecology (Ecology) is a joint lead with Reclamation in the preparation of this Draft EIS, which will also be used to comply with requirements of the Washington State Environmental Policy Act (SEPA).

The purpose of Reclamation's Odessa Subarea Special Study is to evaluate alternatives to replace groundwater supply with surface water to irrigate existing, groundwater-irrigated acres in the Odessa Ground Water Management Subarea. Measurements of groundwater levels in wells have shown a substantial decline in much of the Odessa Subarea since the 1980s, which are the earliest available measurements. This has prompted public concern about the declining aquifers and associated economic and other effects, which resulted in a directive by the U.S. Congress and the Washington State legislature to investigate the problem.

DATES: Written or e-mailed comments on the Draft EIS will be accepted
