#### **List of Additional Lands Affected by White Earth Reservation Land Settlement Act of 1985**

**AGENCY:** Bureau of Indian Affairs, Interior.

**ACTION:** Notice.

**SUMMARY:** This notice lists additional allotments or interest therein on the White Earth Chippewa Reservation in Minnesota which have been determined to fall within the scope of sections 4(a), 4(b), or 5(c) of the White Earth Reservation Land Settlement Act of 1985 (the Act). This notice is required by section 7(e) of the Act, as amended.

**FOR FURTHER INFORMATION CONTACT:** Robert Lintelmann, Acting Superintendent, Minnesota Agency, Bureau of Indian Affairs, 522 Minnesota Ave., NW., Bemidji, Minnesota 56601, Telephone (218) 751-2011.

**SUPPLEMENTARY INFORMATION:** The White Earth Reservation Land Settlement Act of 1985, Public Law 99-264 (100 Stat. 61) as amended by Public Law 100-153 (101 Stat. 886), Public Law 100-212 (101 Stat. 1433), and Public Law 101-301 (104 Stat. 210), provides for alternative methods of resolving

disputes relative to the title to certain allotments for which trust patents were issued to White Earth Chippewa Indians. Sections 4(a) and 4(b) of the Act define circumstances by which the title to an allotment may have been taken or transferred through a questionable means during the trust period. The Act authorizes the Secretary of the Interior to: (1) Identify the allotments or interest therein which were taken or transferred under identified circumstances, (2) determine the individuals entitled to compensation pursuant to the Act, and (3) ascertain the amount of compensation to which each such individual is entitled. In addition, section 5(c) of the Act provides that the White Earth Band of Chippewa Indians shall be compensated for allotments which were granted to individuals who had died prior to the selection dates of their respective allotments.

Under section 8(a) of the Act, the compensation for the taking or transfer of an allotment or interest is to be based on the fair market value of the allotment or interest therein as of the date of such taking or transfer, less any consideration actually received at the time. The compensation to be paid under the Act shall include interest compounded annually at 5 percent from the date of the questionable taking or transfer, until March 24, 1986, and at the general rate of interest earned by Department of the Interior funds thereafter. The Secretary is authorized to issue written notices of compensation determination to the allottees or heirs entitled thereto. Such notice shall describe the basis for the Secretary's determination, the process by which such compensation was determined, the method of payment, and the applicable time limits for judicial review of the determination. Any individual who has already elected to file suit in the Federal District Court for the District of Minnesota to seek the recovery of title to an allotment or interest therein, or damages, is barred under section 6(c) from receiving any compensation under the Act.

The Secretary was authorized, pursuant to section 7(a) of the Act, to publish a first list of allotments or interests that fall within the provisions of sections 4(a), 4(b), or 5(c) of the Act. The first list of allotments and interests affected by the Act was published in the **Federal Register** on September 19, 1986.
