The information provided under this clause is used by the Government to ensure contractor compliance with providing the right of first refusal to such affected personnel and that certain obligations to displaced employees are met by the Government.

FAR 52.207-4, Economic Purchase Quantity—Supplies. This provision permits offerors, who believe that acquisition of supplies in quantity different from what is being solicited would be more advantageous to the Government, to recommend with their offer a more economic purchase quantity for the required supplies. The information provided under this provision is used by the Government to acquire supplies at the total and unit costs most advantageous to the Government and to develop a database for future acquisitions of such items of supply.

Information Collection; Termination Settlement Proposal Forms (SFs 1435- 1440)

AGENCY: Department of Defense (DOD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, and the Office of Management and Budget (OMB) regulations, DoD, GSA, and NASA invite the public to comment on an extension concerning termination settlement proposal forms (Standard Forms 1435-1440). DoD, GSA, and NASA invite comments on: whether the proposed collection of information is necessary for the proper performance of the functions of Federal Government acquisitions, including whether the information will have practical utility; the accuracy of the estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology. OMB has approved this information collection for use through February 28, 2026. DoD, GSA, and NASA propose that OMB extend its approval for use for three additional years beyond the current expiration date.

DATES: DoD, GSA, and NASA will consider all comments received by June 2, 2025.

ADDRESSES: DoD, GSA, and NASA invite interested persons to submit comments on this collection through <https://www.regulations.gov> and follow the instructions on the site. This website provides the ability to type short comments directly into the comment field or attach a file for lengthier comments. If there are difficulties submitting comments, contact the GSA Regulatory Secretariat Division at 202-501-4755 or GSARegSec@gsa.gov.

Instructions: All items submitted must cite OMB Control No. 9000-0012, Termination Settlement Proposal Forms (SFs 1435-1440). Comments received generally will be posted without change to <https://www.regulations.gov>, including any personal and/or business confidential information provided. To confirm receipt of your comment(s), please check www.regulations.gov, approximately two-to-three days after submission to verify posting.

SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000-0012, Termination Settlement Proposal Forms (SFs 1435-1440).

B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

Standard Forms (SFs) 1435 through 1440. These termination settlement proposal forms are used by all Executive agencies, including the Department of Defense, for settling terminated prime contracts and subcontracts per FAR subpart 49.6, Contract Termination Forms and Formats. The forms provide a standardized format for listing essential cost and inventory information needed to support the terminated contractor's negotiated position.

The contracting officer uses the collected information to determine and support reimbursement costs upon settlement of a terminated contract.

C. Annual Burden

Respondents: 4,862.

Total Annual Responses: 38,059.

B. Need and Uses

This clearance covers the information that offerors may be required to submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.212–3, Offeror Representations and Certifications—

Commercial Products and Commercial Services. Paragraph (b)(2) requires offerors to identify the applicable paragraphs at (c) through (v) of this provision that the offeror has completed for the purposes of the relevant solicitation only, if any. The provision stipulates that any changes provided by the offeror under paragraph (b)(2) are applicable to that specific solicitation only, and do not result in an update to the representations and certifications posted electronically in the System for Award Management. The contracting officer will use the information to determine an offeror's eligibility for award, and to incorporate appropriate terms and conditions into a resulting contract as appropriate.
