

enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

OMB Control Number: 2120-0042.

Title: Aircraft Registration.

Form Numbers:

Type of Review: Renewal of an information collection.

Background: Public Law 103-272 states that all aircraft must be registered before they may be flown. It sets forth registration eligibility requirements and provides for application for registration as well as suspension and/or revocation of registration. The information collected is used by the FAA to register an aircraft or hold an aircraft in trust. The information requested is required to register and prove ownership.

Respondents: Approximately 146,757 registrants.

Frequency: Information is collected on occasion.

Estimated Average Burden per

Response: 32 minutes.

Estimated Total Annual Burden: 103,982 hours.

Issued in Fort Worth, TX on January 24, 2018.

Barbara L. Hall,

FAA Information Collection Clearance Officer, Performance, Policy, and Records Management Branch, ASP-110.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2001-9486]

Petition for Waiver of Compliance

Under part 211 of Title 49 Code of Federal Regulations (CFR), this provides the public notice that on December 20, 2017, the Canadian National Railway Company (CN) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 231. FRA assigned the petition Docket Number FRA-2001-9486.

Specifically, CN seeks an extension of an existing waiver granting relief from 49 CFR 231.6(a)(3)(ii); 231.1(d)(3)(i); 231.6(c)(3)(i); and 231.6(d)(3)(i), as they pertain to the use of two 100-ton, seven-unit articulated ramp cars numbered CN689200 and CN689201. CN has operated the ramp cars in accordance to with the terms of the waiver, as

modified in 2007. No physical modifications have been made to the cars that would require any further waiver of FRA's existing freight car regulations. Additionally, no incidents of injury to any person, or damage to any property, have been noted by CN with respect to the use of the ramp cars. A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:

- *Website:* <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Fax:* 202-493-2251.
- *Mail:* Docket Operations Facility, U.S. Department of Transportation, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590.
- *Hand Delivery:* 1200 New Jersey Avenue SE, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal Holidays.

Communications received by March 16, 2018 will be considered by FRA before final action is taken. Comments received after that date will be considered if practicable.

Anyone can search the electronic form of any written communications and comments received into any of our dockets by the name of the individual submitting the comment (or signing the document, if submitted on behalf of an association, business, labor union, etc.). Under 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its processes. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records

notice (DOT/ALL-14 FDMS), which can be reviewed at <https://www.transportation.gov/privacy>. See also <https://www.regulations.gov/privacyNotice> for the privacy notice of www.regulations.gov.

Robert C. Lauby,

Associate Administrator for Railroad Safety, Chief Safety Officer.

BILLING CODE 4910-06-P

DEPARTMENT OF TRANSPORTATION

Federal Railroad Administration

[Docket Number FRA-2018-0002]

Petition for Waiver of Compliance

Under part 211 of Title 49 of the Code of Federal Regulations (CFR), this provides the public notice that on December 10, 2017, the Railroading Heritage of Midwest America Inc. (RHMA) petitioned the Federal Railroad Administration (FRA) for a waiver of compliance from certain provisions of the Federal railroad safety regulations contained at 49 CFR part 230, *Steam Locomotive Inspection and Maintenance Standards*. FRA assigned the petition Docket Number FRA-2018-0002.

RHMA maintains and operates the former Chicago, Milwaukee, St. Paul & Pacific Railroad (Milwaukee Road) 4-8-4 steam locomotive No. 261. Built in 1944 by the American Locomotive Company for the Milwaukee Road, No. 261 is used for educational tours operating in the midwest. RHMA is seeking relief from section 230.41(a), *General*, with respect to the 5-year inspection interval for flexible staybolts with caps. Specifically, RHMA is requesting permission to perform the 5-year flexible staybolt inspection at the 7-year, 6-month interval. RHMA feels that extending the 5-year inspection for removing the caps would not increase the safety risk to the boiler and the additional cost is not justified based on the low amount of annual service days.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation's (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12-140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or
