

**DEPARTMENT OF THE INTERIOR****U.S. Geological Survey****Open Meeting of the Advisory Committee on Water Information**

**AGENCY:** United States Geological Survey, Interior.

**ACTION:** Notice of an open meeting of the Advisory Committee on Water Information (ACWI).

**SUMMARY:** Notice is hereby given of a meeting of the ACWI. This meeting is to discuss broad policy-related topics relating to national water initiatives, and the development and dissemination of water information, through reports from ACWI subgroups. The agenda will include updates from ACWI's various subcommittees; discussion of a new Climate Workgroup that is being formed; a report on the National Monitoring Conference, which was held earlier this year in Portland, Oregon; a demonstration of new features that will be released later in the summer for the U.S. Geological Survey's National Water Information System; an update on the National Ground Water Monitoring Network Data Portal; a report on the Hydrologic Frequency Analysis Work Group's progress on revising Bulletin 17B, Guidelines For Determining Flood Flow Frequency; and a demonstration of a new component of the National Environmental Methods Index that provides better access to statistical and assessment methods for water quality.

The ACWI was established under the authority of the Office of Management and Budget Memorandum M-92-01 and the Federal Advisory Committee Act. The purpose of the ACWI is to provide a forum for water information users and professionals to advise the Federal Government on activities and plans that may improve the effectiveness of meeting the Nation's water information needs. Member organizations help to foster communications between the Federal and non-Federal sectors on sharing water information.

Membership, limited to 35 organizations, represents a wide range of water resources interests and functions. Representation on the ACWI includes all levels of government, academia, private industry, and professional and technical societies. For more information on the ACWI, its membership, subgroups, meetings and activities, please see the Web site at: <http://ACWI.gov>.

**DATES:** The formal meeting will take place from 9:00 a.m. until 4:00 p.m. on July 10, 2012, and from 9:00 a.m. until

4:30 p.m. on July 11, 2011 (times are Eastern Daylight Time).

**ADDRESSES:** The meeting will be held at the Crowne Plaza Dulles Airport, located at 2200 Centreville Road, Herndon, Virginia 20171. The meeting will also be accessible by teleconference and WebEx. There will also be a teleconference line and a WebEx internet link available for the use of those who cannot attend in person. Information on the teleconference and WebEx is available on the ACWI Web site at: <http://acwi.gov/acwi-minutes/acwi2012/>

Please indicate "Attn: 1004-0185" regardless of the form of your comments.

**FOR FURTHER INFORMATION CONTACT:**

Donnie Shaw, Division of Fluid Minerals, at 202-912-7155. Persons who use a telecommunication device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339, to leave a message for Mr. Shaw.

**SUPPLEMENTARY INFORMATION:** OMB regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act, 44 U.S.C. 3501-3521, require that interested members of the public and affected agencies be given an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8 (d) and 1320.12(a)). This notice identifies an information collection that the BLM plans to submit to OMB for approval. The Paperwork Reduction Act provides that an agency may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. Until OMB approves a collection of information, you are not obligated to respond.

The BLM will request a 3-year term of approval for this information collection activity. Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany our submission of the information collection requests to OMB.
