#### **Henry I. Siegel Co., Inc., Now Known as Durango Apparel Manufacturing, Inc., Bruceton, TN, and New York, NY; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 16, 2000, applicable to workers of Henry I. Siegel Co., Inc., Bruceton, Tennessee. The notice was published in the **Federal Register** on June 8, 2000 (65 FR 36469).

At the request of the company, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of men's and women's jeans, slacks and shorts. The company reports that in April, 2000, Henry I. Siegel Co., Inc. "became know as Durango Apparel Manufacturing, Inc.". Information also shows that worker separations occurred at the New York, New York location of Henry I. Siegel Co., Inc. The New York, New York workers provide administrative support functions for the subject firms' production facilities including Bruceton, Tennessee which closed in June, 2000.

Accordingly, the Department is amending the certification determination to correctly identify the new title name to read "Henry I. Siegel Co., Inc., now known as Durango Apparel Manufacturing, Inc.", Bruceton, Tennessee and to cover the workers at the subject firms' New York, New York location.

The intent of the Department's certification is to include all workers of Henry I. Siegel Co., Inc., now known as Durango Apparel Manufacturing, Inc. who were adversely affected by increased imports.

The amended notice applicable to TA-W-37,607 is hereby issued as follows:

All workers of Henry I. Siegel Co., Inc., now known as Durango Apparel Manufacturing, Inc., Bruceton, Tennessee (TA-W-37,607) and New York, New York (TA-W-37,607A) who became totally or partially separated from employment on or after April 30, 2000 through May 16, 2002 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

#### **Spencer's Inc., Mt. Airy, NC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on June 9, 2000, applicable

to all workers of Spencer's Inc., Mt. Airy, North Carolina. The notice was published in the **Federal Register** on June 29, 2000 (65 FR 40136).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. Findings on review show that the Department incorrectly set the impact date at April 27, 1999. The workers at the subject firm were covered under an earlier certification, TA-W-34,023B, which expired December 21, 1999. In order to avoid an overlap in coverage, the Department is amending this certification to set the impact date at December 22, 1999.

The amended notice applicable to TA-W-37,702 is hereby issued as follows:

All workers of Spencer's Inc., Mt. Airy, North Carolina, engaged in employment related to the production of infant's and children's wear who became totally or partially separated from employment on or after December 22, 1999, through June 9, 2002, are eligible to apply for adjustment assistance under Section 223 of the Trade act of 1974.

Signed in Washington, DC, this 6th day of September 2000.

#### **Twin Ridge Corporation, Acton, Maine; Notice of Termination of Certification**

This notice terminates the Certification Regarding Eligibility to Apply For Worker Adjustment Assistance issued by the Department on July 6, 1999, for all workers of Twin Ridge Corporation, Acton, Maine, engaged in employment related to the production of apples. The notice was published in the **Federal Register** on August 11, 1999 (64 FR 43724).

On its own motion, the Department reviewed the certification issued for workers of the subject firm. The petition filed April 26, 1999, was filed on behalf of apple packers at Twin Ridge Corporation, Acton, Maine. Review of the duties performed by the worker group reveals that the workers provided a service and did not produce an article within the meaning of Section 222 of the Trade Act.

Since there are no adversely affected workers of the subject firm, the continuation of the certification would serve no purpose and the certification has been terminated.
